

## The finer points

This discount plan is not insurance. Principal® Dental Access Plan provides discounts at certain healthcare providers for dental services. The plan does not make payments to the provider. Members must pay for all dental services but will get a discount from contracted providers. The range of discounts varies based on type of provider, region and services received. For a list of participating dentists, visit [principaldentalaccess.com](http://principaldentalaccess.com) and choose "Find a dentist" under "For individuals and families." Dentists and specialists may not be available in all areas. Services in progress or provided before the membership effective date are excluded. Cancel within the first 30 days for a full refund, less the activation fee. Activation fees are refundable in AR and MD. This plan is not available in all states. Principal® Dental Access Plan is a product of Principal Financial Group®, the discount plan organization located at 9445 Farnham St, Ste. 100, San Diego, CA 92123.
