

Realms of Akasha

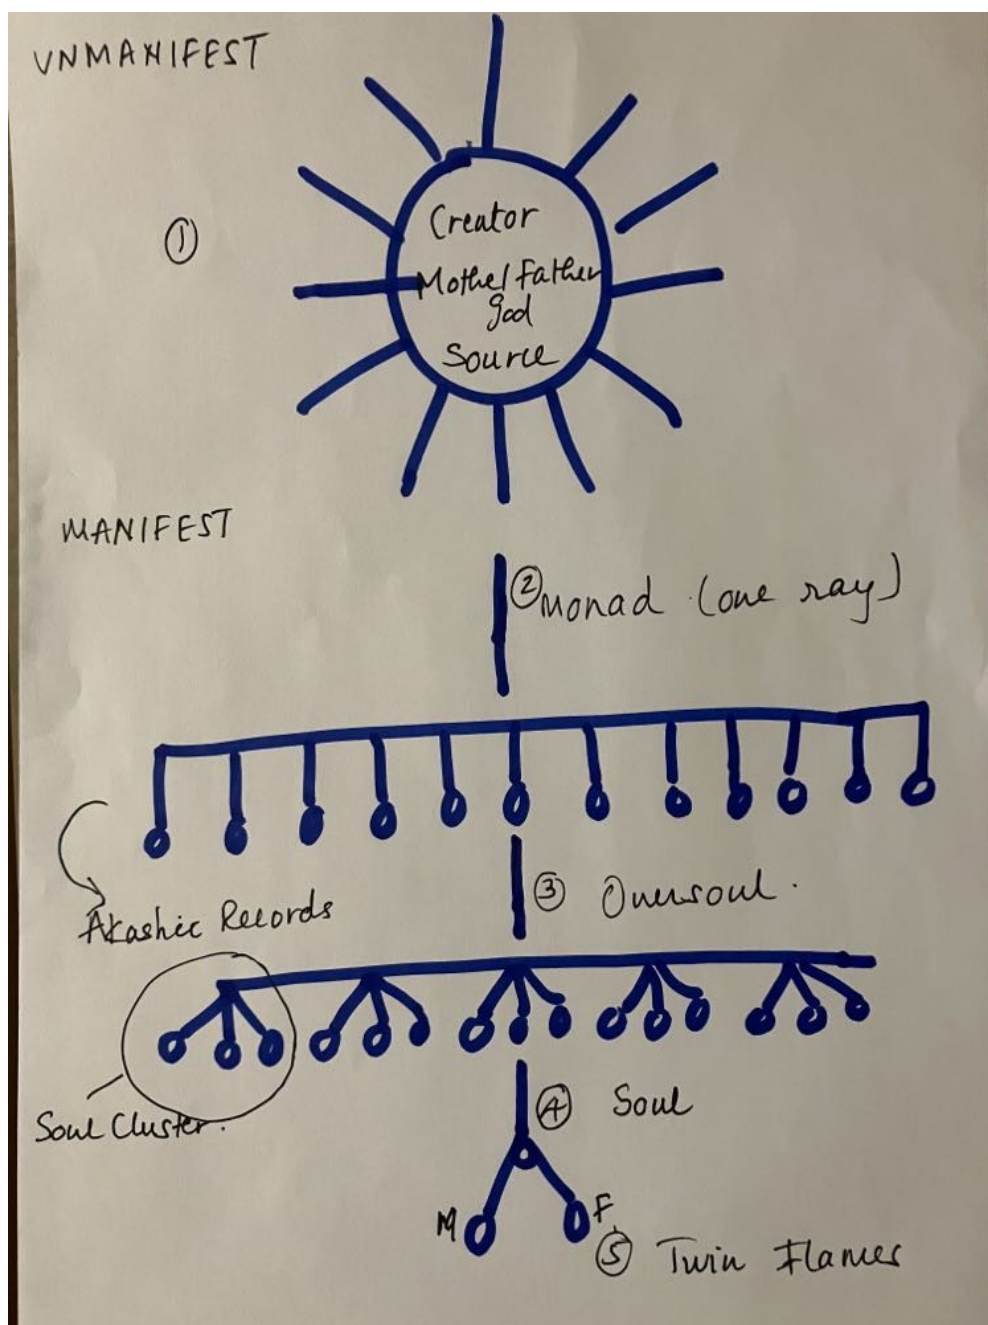

Week 1 What is the universal hierarchy, the Akasha and the Akashic Records

Welcome Onboard

Divine Timing -Your soul chose for you to connect with your Akashic Records!

Universal Hierarchy

Top of hierarchy/consciousness

Akasha

Akasha is ether or space that holds everything together.

Akashic Field

The Akashic field is a hologram in the space that holds the etheric/Akashic records

Akashic Records

Holds the records of that has ever existed and probabilities and potentialities of the future of universes. This includes planets, human, plant, animal, crystal, ocean, events, etc.

The Akashic Records are guarded by Guardians. You need to ask permission to enter your own records or if you are entering someone else's records.

The Akashic Records are not to be consulted for fun or curiosity.

It is best to consult the records to gain higher insights on your own current issues.

Your Akashic Records

- Contains a database of the wisdom of your soul
- Thoughts, experience and lessons throughout all lifetimes are stored there.
- Think of it as a library that contains the records of all your past, present and possibilities and potentialities for your future

Benefits of working with your Akashic Records

- Gain clarity on your current issues
- Higher Insights
- Childhood issues
- Past life issues
- Soul contracts/agreements conscious or unconscious
- Healing
- Gifts, talents, skills
- Probable Future
