Alpha Phi Sigma

Chapter Advocacy Grants \$250

There are many organizations that work within or with the Criminal Justice System to help individuals.

When a Chapter engages with an organization in their community that provides a service or services within the Criminal Justice System helping adults or juveniles, Alpha Phi Sigma will donate \$250 to the organization.

GUIDELINES

1. Locate an agency in your area that provides a service within the Criminal Justice System: Adult or Juvenile.
2. The Chapter must engage in an activity with the agency.
3. Visit our website and click on the link for the advocacy grant, located under the scholarships tab. You will be directed to the online application where you will submit a brief write-up about the organization, full name and address of the organization, name of a contact person, and a photograph of Chapter members engaging in an activity with the organization.
4. Once the information is approved, the Chapter Advisor will receive from Headquarters an Alpha Phi Sigma check for \$250 payable to the Advocacy Organization.
5. Alpha Phi Sigma members must return to the organization and present the check on behalf of Alpha Phi Sigma through their Chapter.
6. The original story and photographs of the activity along with the photograph of the funds presentation submitted to Headquarters will be featured in the Docket.
7. Only one check per Chapter will be issued per calendar year. Chapters petitioning for a second advocacy grant the following year must choose a different advocacy group from the previous year.

Should you have questions, please contact Headquarters via email Headquarters@alphaphisigma.org

- ♦ **The Advocacy Grant is NOT the same as a Chapter Grant.**
- ♦ **The Advocacy Grant cannot be used as the Theme of the Year or a Chapter Goal.**

Stevenson University

Mu Psi Chapter

It is with great pleasure that I, Anna Connell, President of the Mu Psi Chapter of Alpha Phi Sigma at Stevenson University, submit this report outlining our chapter's accomplishments during the 2024-2025 academic year.

The Mu Psi chapter has been actively engaged in several initiatives this year, all aimed at fostering academic excellence, promoting awareness of the criminal justice field, and providing valuable opportunities for our members and the wider Stevenson University community:

I. Campus Outreach and Visibility: Throughout the academic year, we maintained a visible presence across Stevenson University through informational booths and in-class presentations. These efforts served to inform students, both within and outside the Criminal Justice program, about Alpha Phi Sigma, our upcoming activities, and opportunities for involvement.

II. Academic Support Initiatives: Recognizing the academic demands of our program, we organized study sessions during both midterm and final examination periods. These sessions provided peer tutoring and a collaborative learning environment for criminal justice students, proving to be a valuable resource that garnered positive feedback.

III. Juvenile Justice Jeopardy Game Night: On November 21, 2024, we successfully hosted a Juvenile Jeopardy game night. This event was designed to align with Alpha Phi Sigma's theme while offering an engaging and informative event about the Juvenile Justice System. The positive feedback received from participating criminal justice students highlighted the event's enjoyable atmosphere and its educational value.

IV. Professional Panel on Juvenile Justice: On April 23, 2025, furthering our focus on Juvenile Justice, we held a distinguished panel of professionals with direct experience in this area. Representatives from Baltimore County, Montgomery County, and the Department of Juvenile Services shared their expertise and insights with our criminal justice students. This event not only provided invaluable knowledge but also facilitated meaningful connections with professionals in the field, whom we hope to engage in future collaborations.

V. Induction of New Members: We were honored to welcome six highly qualified students into Alpha Phi Sigma during our induction ceremony on April 30, 2025. The executive board, comprised of Malick Beyai, Zach Hogg, and myself, collaboratively planned and conducted this significant event. We received positive remarks from the head of Stevenson's Criminal Justice Program, Professor Hillary Michaud, and our Chapter Advisor, Professor Smith. We are confident that our new members will embody the principles of Alpha Phi Sigma and develop into exceptional criminal justice professionals.

Finally, I wish to extend my sincere gratitude to Vice-President Malick Beyai, Treasurer Zach Hogg, and our dedicated Chapter Advisor, Professor Caprice Smith. Their unwavering commitment and support have been instrumental to the success of the Mu Psi chapter this year. Their dedication to Alpha Phi Sigma has had a profound impact at Stevenson University, and I am optimistic about our chapter's continued growth and achievements in the coming year.
