Join us in congratulating our newest elected Executive Council Member Professor Ivy Yarckow-Brown

I am extremely honored to have been elected to serve on the Alpha Phi Sigma Executive Council.

I am very grateful for the support I have received through the election process from my initial nomination and by way of each of the votes that were placed by chapters throughout the organization.

For over fifteen years, I have worked diligently with my University, Missouri State University, our chapter, Sigma Mu Sigma, Alpha Phi Sigma Headquarters, and the organization as a whole. I have been an Executive Advisor on the APS board for years because I believe in the ideals of Alpha Phi Sigma, and I am passionate about student success in the fields of criminology and criminal justice.

Serving as a council member for the next five years will be an opportunity for me to be a vital part of this very organization where I will continue with the hard work and dedication that I have shown to date. I will carry out my term with the guiding principles of inspiration, support and collaboration. Hopefully, we will be able to meet in Las Vegas for Alpha Phi Sigma's 80th Anniversary celebration. Until then, take care and let's continue working towards academic excellence, leadership, service, and unity with all our members.

Advocacy Grants \$250 Still Available

There are many organizations that work within or with the Criminal Justice System to help individuals.

When a Chapter engages with an organization in their community that provides a service or services within the Criminal Justice System helping adults or juveniles, Alpha Phi Sigma will donate \$250 to the organization.

GUIDELINES

1. Locate an agency in your area that provides a service within the Criminal Justice System: Adult or Juvenile.
2. The Chapter must engage in an activity with the agency.
3. Send Headquarters a brief write-up about the organization, full name and address of the organization, name of a contact person, and a photograph of Chapter members engaging in an activity with the organization.
4. Submit all of the above by email to Headquarters@alphaphisigma.org. Please type **ADVOCACY GRANT** in the subject line.
5. Once the information is approved, the Chapter Advisor will receive an Alpha Phi Sigma check for \$250 payable to the Advocacy Organization.
6. Alpha Phi Sigma members must return to the organization and present the check on behalf of Alpha Phi Sigma through their Chapter.
7. The original story and photographs of the activity along with the photograph of the funds presentation submitted to Headquarters will be featured in the Docket.
9. Only one check per Chapter will be issued per calendar year. Chapters petitioning for a second advocacy grant the following year must choose a different advocacy group from the previous year.

Should you have questions, please contact Headquarters via email Headquarters@alphaphisigma.org

- ♦ The Advocacy Grant is NOT the same as a Chapter Grant.
- ♦ The Advocacy Grant cannot be used as the Theme of the Year or a Chapter Goal.

If you're a person of color who is shopping for items such as hair care products, access to items is limited at best.

"It can be a challenging to find hair care for people of color, especially in communities like Tiffin, including finding someone who knows how to cut your hair" says Criminology Professor Dr. Sarah Lazzari, who is also the mom of a child of color.

Sarah is also the advisor to Alpha Phi Sigma, the criminology honorary here on campus. On the heels of Martin Luther King Jr. Day in January and Black History Month in February, Alpha Phi Sigma members were motivated to do a service project relative to people of color and at the same time, connect with the local criminal justice system.

After brainstorming several ideas, Alpha Phi Sigma kicked into action and launched a month-long donation drive on campus in February to collect hygiene items – with an emphasis on kids of color -- for youth incarcerated at the Seneca County Youth Center.

They quickly found out they were not alone in their efforts. "As we were thinking through how we wanted to gather items, we decided to reach out for help," Sarah says.

As a chapter, they received a \$250 grant from the national Alpha Phi Sigma organization, which they designated partly for supplies. Additionally, a connection that Sarah has with fodada, a clothing company in California, proved valuable. Founder of fodada, Bobby Barzi, provided 25 sets of shampoo, conditioner, and leave-in treatment toward the effort.

And then, the Heidelberg community came through. Students placed donation boxes around campus. Parkhurst Dining GM Tony Ippolito arranged for donations of toothpaste, body wash and deodorant, about 100 items in all. Heidelberg's Disability Advocacy Division also pitched in, helping to post flyers, check donation boxes and gather items at the end of the drive.

On Thursday, March 11, members of Alpha Phi Sigma, along with Sarah, delivered the collected items to the Youth Center, with more to be delivered this week. Along with Sarah and Alexa, students Courtney Bryson, Fletcher Grey, Mya White (Alpha Phi Sigma vice president) and Jessica Voitko presented the items to Sarah Canalos, director of the Youth Center. Also assisting with the donation drive were Jessika Costmire (secretary) Haley Cruikshank (treasurer), Brooke Franz, Kendall Wright, Madison Leiser and Ainsley Tucker.

Photo is of the outgoing and incoming Executive, and guest speakers at the induction.

Phi Epsilon Chapter at the University of Guelph-Humber in Toronto held a remote induction ceremony on March 26. 21 new members were inducted, and the new executive was introduced. This induction raises the chapter membership to 152 since its formation seven years ago. The Rookie of the Year Award was awarded to Donna Yim, who worked the most hours in support of the chapter this year.

The outgoing executive, led by President Chithranki Srikanthan, were praised for their outstanding efforts during difficult times by the Past President from 2018-2020 Dalton Beseau, Student Life Coordinator Jessica Pilfold, and the faculty advisor Dr. Glenn Hanna.

A review of the activities of the past year demonstrated that the chapter was very active and was able to leverage technology to reach out to even more students, and to attract some very impressive guest speakers. All Chapter activities were initiated, organized, and led by chapter members. These included a very successful three-day Innocence Canada event celebrating Wrongful Conviction Day, and presentations on:

- Mental Health in the Justice Field
- Women in Policing
- The Criminal Mind (joint with Psi Chi)
- Toronto Police Guns and Gangs Task Force
- From Icebergs to Organized Crime (A Career in Policing)
- Youth and the Law- Counseling
- Youth and the Law- Diversion
- "Coffee" with a Cop
- A Career in Corrections

Remote Social Events

The incoming President, Abigail Ashely, advised that plans have already started for next year's activities, with large boots to fill after the great work done this year- hopefully with a return to some face-to-face activities!

The pandemic and the resultant remote operations were certainly challenges, but challenges that were met head on- and successfully- by an engaged chapter demonstrating: Academic Excellence, Leadership, Service, and Unity.

Congratulations to everyone!

Last year, in September 2020 California was affected by many wildfires that simultaneously took place throughout the state. One of them being the Big Creek Fire, which consumed approximately 379,895 acres, making it the single largest fire in California history.

In response to this, our local chapter took initiative in collecting donations from members, family, and friends in an effort to show our love and support to the affected communities. After a week of collecting most-needed items from members in a safe and socially-distanced manner, our chapter officers were able to drop off all items at a local high school that was in charge of distributing the goods to all of those in need.

We are happy to see chapter members show a great desire to keep APS growing and contribute to the creation of rewarding experiences in their time in the organization. Most importantly, we are proud to have found ways to stay active and give back to our community despite being in the middle of a pandemic.

Shout out to our Rough Rider Students, Families, Staff, and Community for bringing in items for the Creek Fire Victims. 🍀🍀🍀

A special shout out to our Fresno State Alpha Phi Sigma Criminal Justice Honor Society for their generous drop off today!!! 🍀🍀🍀

Our Toiletries Drive ends on Friday at 4:30pm. See the attached flyer to see how you can help!

The end of the semester was definitely a busy one, but I wanted to tell you that the induction ceremony was a big success! We were able to have a small audience for the students inducted and had a live zoom for those who couldn't attend. Thank you again for all your help getting us started!

In addition, there were many students who were just short of the requirements to apply for APS so we were hoping to hold another induction in the spring semester. Some of those students are seniors so we would like to give them the chance to be inducted before graduation in May. If you could let me know what the next steps are to hold a second induction ceremony this academic year, that would be greatly appreciated.

While following COVID-19 protocols, the APS Pi Delta Psi chapter at Arkansas Tech University recently collected and donated 500 packets of food for a local elementary school. Advocacy Grant

The picture is from our Advocacy grant check presentation to Wiregrass Angel House. Our chapter spent the day volunteering by putting together victim rights folders that are handed out to victims of crime.

Here is also a little information about this organization:

Wiregrass Angel House advocates for victims' rights and services for victims of violent crime, providing direct services to victims and their families, and providing public education and awareness.

Our staff members are available to assist the family and loved ones of a homicide victim. Advocates assist survivors in communicating with Police, Attorney's General office, and Governor's Office and provide emotional and physical support throughout the course of your case. Advocates work closely with the staff in all phases of the Criminal Justice System. There are nearly 45,000 homicides annually in the United States. This effects between 150,000 and 200,000 relatives and other survivors. The trauma and grief experienced by survivors cause emotional scars that last a lifetime. We assist with Death Notification, Media Coverage, Funeral Arrangements, Victim's Compensation, Trial Attendance, Insurance Claims, Crime Scene Clean-up.
