The conference in Kansas City, Missouri was a success and the celebration began with a great show of chapter unity. Thanks to all the advisors, chapters, and headquarters personnel, this anniversary will be fondly remembered.

Alpha Phi Sigma's Headquarters is sponsored by the NSU Institute for the Study of Human Service, Health, and Justice.

Gamma Eta Chapter

The Gamma Eta Chapter at Penn State, Altoona, holds an activity on campus called Wills for Heroes. Wills for Heroes is an event that allows local firefighters, EMT, military, police, and veterans to have wills made at no cost, to thank them for their services. Wills for Heroes started after 9/11 when many people working in our field lost their lives and did not have a will made. Local lawyers join us for this event to create the wills and notarize them. Our chapter takes great pride in this event because it provides us with the opportunity to help people in our community and show appreciation to the men and women working in the Criminal Justice field.

Alumni Perfect!

Golden Alumni Tasha Butler addressed all members at the 2017 Conference in Kansas City, MO. Her speech was inspirational and presented in Golden fashion.

Ms Butler is the Field Security Coordinator at the U.S. Department of Homeland Security.

Dr. Deanna Shields is awarded the Distinguished Golden Alumni Award at the national Conference in Kansas City, MO.

Dr. Shields has been a longtime supportive member of Alpha Phi Sigma. She received her Ph.D., at Fairmont State University where she was an Alpha Phi Sigma Member. She proceeded to served as Advisor of the Fairmont State University Chapter for over 30 years.
