Summer 2021

The Alpha Phi Sigma
2021 Virtual Conference
on Cyber Crime
was spectacular!!

We'd like to thank all our speakers and presenters for their time and presentations. Approximately 250 members joined the APS board online for what became our very first virtual conference. We hope you enjoyed the sessions and received scholarships while attending. Thank you to the scholarship judges, Golden Alumni who participated, Advisors, and student members for making the conference a success. The Executive Student Officers and Dr. Giacomazzi made everyone feel a part of the organization.

Please take a look at the scholarship winners in the following pages. Also, FBI Agent Brian Nishida gave us a series of great resources about his presentation on Cybercrime. These references may come in handy when writing a research paper on the topic.

Nay-Latocki Military Veterans Scholarship

1st place: Jason Baker, University of Nebraska, Kearney

Jason Baker is an undergraduate student at the University of Nebraska at Kearney (UNK), majoring in Family Science with a minor in Criminal Justice. Before joining the U.S. Army in 2006, Jason graduated from North Platte High School and earned an Associate of Applied Science degree from Mid-Plains Community College. While serving in the Army, Jason was stationed in Baumholder, Germany, Fort Carson, CO, and Fort Stewart, GA. Jason deployed to Iraq in 2008 and Afghanistan in 2010 where he earned five Army Commendation Medals, three Army Achievement Medals, NATO Medal-ISAF, and Combat Action Badge, among others. After Jason's eight-year enlistment in the Army, he returned to Nebraska so he and his wife could raise their children close to family. Jason currently works in the Learning Commons at UNK as a Veterans Success Coach, where he teaches other student veterans helpful study skills, organizational strategies, and as a hub to help those students find resources on campus. After graduation, Jason plans to attend graduate school and continue helping student veterans achieve academic success. “

“

2nd place: Patrick Price, North Carolina A&T State University

Patrick Price is a U.S. Army Veteran and Senior criminal justice student at North Carolina A&T State University. He will be attending law school this upcoming fall. He states; “First and foremost, my experience in the U.S. Army showed me the importance of service to everyone around me.” “Whether I am taking care of duties at home for my family, reaching out to soldiers I used to lead to ensure welfare, or assisting constituents with their needs as an intern, service remains at the heart of what I do and who I am.”

3rd place Patrick Joseph, Endicott College

Patrick Joseph served in the U.S. Army as an Indirect Fire Infantryman (Team Leader)/Gunner from 2015 to 2018. He is attending Endicott College and has been on the Dean's list for multiple semesters. He is Vice President of the Veterans Club and coordinates activities with other clubs and organizations.

Honorable mention: Richard Roberts, Troy University

My name is Richard Allen Roberts Jr. I am from Mobile, Alabama. I am currently enrolled in Troy University studying criminal justice in hopes to pursue a masters degree in public administration. Normally, I take classes in person, on Troy's beautiful campus, but this year I'm taking courses online and halfway across the world. I am a Military Police Soldier in the Army National Guard currently deployed with the 1166 Military Police Company out of Birmingham, Alabama. My company is tasked with customs and border clearance operations throughout the entirety of the Middle East. Similar to stateside TSA, my job is to ensure nothing foreign or illegal enters the United States upon initial arrival. I am also a member of the ARNG Honor Guard team based out of Montgomery, Alabama. This title has humbled me as partaking in funeral honor ceremonies for fallen veterans is not a fun detail, but a rewarding one. Aside from the military, my hobbies include collecting shark teeth in Pensacola, Florida, hiking in the Great Smokey Mountains of Tennessee, and offshore fishing in the Gulf of Mexico.

Honorable mention: Matthew Rubright, California Baptist University

My name is Matthew Rubright, I grew up in Northern Virginia near the Blue Ridge Mountains. I signed my enlistment papers at 17 years old and left for USMC bootcamp shortly after I turned 18. I spent 5 years in the Marine Corps Infantry as a Rifleman and Team Leader and had the opportunity to go on two overseas deployments with 1st Battalion, 4th Marine Division. In 2017 I left the Marine Corps to explore academic opportunities and studied Behavioral Science with an emphasis in Forensic Psychology and minor in Criminal Justice at California Baptist University. In 2020 I graduated with my Bachelors, married my amazing wife, and moved back to Virginia. I am now working full time for a government contractor and pursuing a graduate degree in National Security at Liberty University. In our free time, my wife and I are renovating our “new” old home. Additionally, we are very blessed to recently find out that my wife is pregnant and we are very excited to welcome a new member of the family this year. I aspire to work in the field of federal law enforcement and I look forward to all of the new challenges that lie ahead in this pursuit.

FROM THE EXECUTIVE STUDENT OFFICERS

“Hello from all of our student officers! Sydney Debrick will be returning as Executive Student President and Cassandra Engle will be returning as Executive Student Secretary from Missouri State University’s Sigma Mu Sigma chapter, but we’d like to extend a large welcome to our newest Executive Student Vice President from North Carolina Central University’s Eta Lambda chapter Jalen Spooner, and our newest Executive Student Treasurer also from the Sigma Mu Sigma chapter, Joshua Woolfington!

All of our officers are very excited to see everyone in person for our 2022 Conference in Las Vegas! We can’t wait to hear all about our theme, Organized Crime, and to see all the projects everyone has come up with, whether that be an interactive guest speaker visiting from a local police departments’ organized crime unit or a volunteer opportunity with a local organization to keep youth out of gangs.

Please let us know which types of activities and speakers you would like to see at the conference next year by emailing Sydney at debrick722@live.missouristate.edu. We’d love to hear your thoughts on ways we can make this the best conference yet. We hope that everyone enjoys their summer!”

Gamma Rho Chapter

ALPHA PHI SIGMA GAMMA RHO CHAPTER PRESENTS:

QUAN HUYNH

GUEST SPEAKER:
 Quan Huynh is the bestselling author of Sparrow in the Razor Wire: Finding Freedom from Within While Serving a Life Sentence. After spending twenty-two years in and out of correctional institutions, Quan was paroled from a life sentence in 2015. In his book he shares how he found his freedom years before he was even paroled. He works as the senior post release program manager for Defy Ventures, a non profit helping those with a criminal past transform their lives through the journey of entrepreneurship.

The Gamma Rho chapter hosted a guest lecture on Friday April 9th. With the Chapter Project Grant the chapter received from Headquarters we were able to provide Quan a honorarium for his talk. We promoted this speaker event to the entire Criminal Justice Department as part of our Education Leadership. It was an incredibly enriching experience for students to hear Quan’s story since many of the students in attendance are seeking careers in criminal justice.

In 1999, Quan Huynh shot and killed another man in a gang-related shootout in Hollywood, California. He was sentenced to 15 years to life in prison and the circumstances made it unclear that he would ever get out. He ended up serving 22 years. Even within the hostile environment of prison, Quan sought his own healing, transformation, and self-discovery and earned his release in 2015. Quan spoke about his experiences and answered student questions.

During these times of hardship due to the COVID-19 pandemic the level of sexual assault has increased in relation with intimate partner relationships (Marriage, dating, etc.). As a result of this, The Omega Phi Chapter created a T-shirt design to stand against sexual assault for the month of April (Sexual Awareness month). Design created by member Zoraya Berlanga.

The organization stands with those victims of sexual assault and condemns any sort of sexual assault offenses, regardless of gender, race or socioeconomic status.

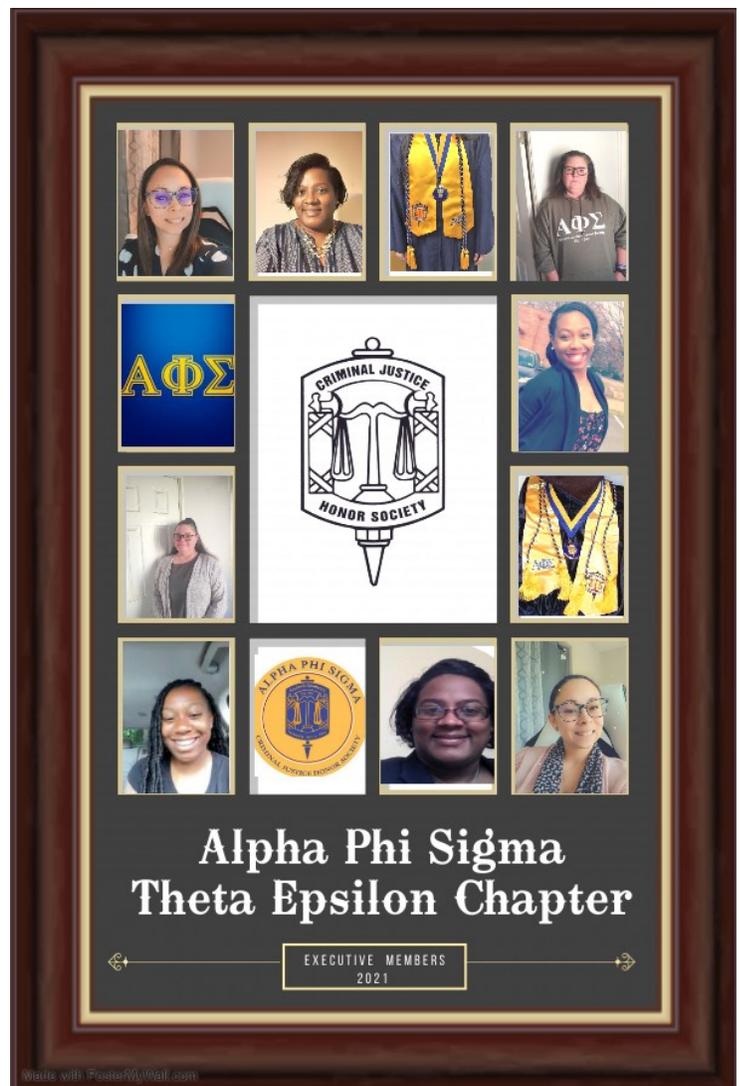

The Omega Phi Chapter is proud to showcase the design created and invites other chapters to support this cause or other causes that stand against any sort of violence in our communities.

ALUMNUS Dr. JOHN MCLAUGHLIN

Alpha Phi Sigma Alumni, former Council member, and Advisor to receive NLPOA Award

Dr. John E. McLaughlin, director of Criminal Justice Programs, will receive the 2021 National Latino Peace Officers Association (NLPOA) Alan Alvarez Legacy Lifetime Member Award at a banquet in Houston, Texas in September.

“You have ‘Bridged the Gap between Latinos and Law Enforcement’ and your hard work has not gone unnoticed,” said Greg Gonzalez, NLPOA vice president and awards chair, in a letter to Dr. McLaughlin. “You were selected for your leadership and commitment to serve the mission and goals of the National Latino Peace Officers Association for more than 20 years.”

Dr. McLaughlin has been with SFSC since January 2021. Previously, he honorably retired as lieutenant after serving 26 years with the Miami-Dade Police Department and served as chief of police in Rivesville, W.Va.

McLaughlin first met members of NLPOA while working for the Miami-Dade Police Department. “I worked for five years at the Miami-Dade Police Academy and did the training/coordination for the specialized classes and educational classes,” he said. “NLPOA was having a conference and members of the organization stopped by and indicated that they needed a presentation on racial profiling. So, I did the presentation. Then, they asked me to join the organization. Ever since, I’ve attended most of their conferences on a yearly basis.”

To receive the Legacy Lifetime Member Award, an individual must have been a member for over 20 years. Dr. McLaughlin has been a member of NLPOA for 21 years. He served on the National Board of Directors as parliamentarian for two years and has been the national editor for the organization’s newsletter for past seven years.

The NLPOA was founded in 1972 to eliminate prejudice and discrimination in the criminal justice system, particularly law enforcement; reduce community juvenile delinquency; and lessen citizen tension in predominantly minority communities. It is the largest Latino law enforcement organization in the United States and has chapters nationwide.

GOLDEN ALUMNA TAMARA WILKINS, Ph.D.

Dr. Tamara Wilkins received the Distinguished Life Membership Award during the Alpha Phi Sigma Virtual Conference, March 2021. The award presentation was delayed when the 2020 annual conference in San Antonio Texas was cancelled due to Covid -19.

Although we all wished that we could have presented this very prestigious award in person, we did not want to delay it further. Dr. Wilkins deserves the recognition and she has worked tirelessly on the Alpha Phi Sigma Executive Council for many years.

Join us in congratulating her on her achievement and thanking her for her many years of dedication to Alpha Phi Sigma and its members.

Tamara "Tami" Tucker Wilkins, Ph.D. is an Associate Professor of Law Enforcement at Minnesota State University, Mankato. She became a member of Alpha Phi Sigma as a graduate student, and has been serving as the Chapter Advisor since her hiring date in the fall of 1999. She has experience as a National Advisor and Executive Council member, and takes great pride being a Golden Alumni member of APS. Her primary areas of scholarly interest are victimology, multicultural training, people with disabilities, and deviant and criminal behavior. She teaches a variety of courses including Policing in a Diverse Society, Human Behavior, Police Response to Victims and Survivors, Juvenile Justice Procedures, Ethics and Leadership, and Comparative

Criminal Justice Systems. She has organized and led fifteen study abroad tours, comprising nearly 400 students, to Europe. She has traveled extensively, visited all 50 states, and lived in numerous places throughout the United States. She loves people, and is especially proud of her work and strong association with students, particularly members of Alpha Phi Sigma.

Golden Alumnus Bill Nay—Military Veteran Information

Here is a link that describes the work by Dr. Finlay and the Veteran's Administration in studying, and assisting, Veterans who encounter the Justice System.

[Veterans and the criminal justice system \(va.gov\)](#)

Local Marine Corps veteran William Nay from American Veterans Post 55 in Sonoma will attend “Rolling to Remember” on Sunday May 30.

Veterans from around the country will be participating in a demonstration ride to raise awareness of issues facing American veterans and demand action for the 82,000 service members missing in action. The event is also intended to raise awareness of the 22 veterans who die by suicide each day.

This is the first year the event - previously known as “Rolling Thunder” - will feature AmVets as the lead organization.

Nay is the veteran service officer for Sonoma’s AmVets Post #55 and, as an active AmVets rider, he has volunteered to stage the thousands of motorcycles at RFK Stadium in Washington, D.C.

Nay frequently rides throughout the Bay Area providing honor guard support to the many veteran funerals at the San Francisco National Cemetery and the Golden Gate National Cemetery. Nay’s family has provided service to the country as far back as the American Revolution when his fifth great grandfather, Joseph Nay, fought with the New Hampshire militia for American independence.

Bill Nay presents Alpha Phi Sigma Anniversary coin to the PG County Motor Officers while staging for Rolling To Remember.

The Marine Corps League Detachment #10 with the assistance of American Legion Rider Chapter #105 celebrated the 100th Birthday of Bernard "Bud" Simon by taking him on a motorcycle ride and then to lunch.

Bud served the USMC in WW2 and was at Midway, Bougainville, and the liberation of the Philippines. He rode with Bill Nay on his Harley Trike
