

Re-Activation Application for an Alpha Phi Sigma Chapter

Reactivation of a Chapter within three years of inactivity: An inactive chapter is one that has not paid annual dues by March 1st of each year. A chapter may pay late dues after March 1 of each year by paying \$85 plus a \$10 late fee. Chapters may pay up to 2 years late by submitting the adequate fee. No reactivation application is needed in these cases.

Reactivation/Charter of a Chapter after three years: After three years of inactivity, if the chapter EIN is still active, then the reactivation form must be submitted with updated chapter information (see below).

If your EIN is no longer active according to the IRS, a chapter loses its non-profit status. At such time, Alpha Phi Sigma will require a **NEW CHAPTER CHARTER** application to be submitted to Headquarters. The chapter will be issued a new Greek name and a new EIN from the IRS.
