# MAKEUP BY JACINTA BRIDES

At Makeup by Jacinta, we're committed to helping every bride feel confident, radiant, and beautifully prepared for their wedding day.

Proudly recognised as a Top 3 Bridal Makeup Artist in the 2025 Wedding Industry Awards for Capricorn Coast & Central Queensland, we combine award-winning artistry with genuine value for money — delivering premium results without compromise.

As a Makeup by Jacinta bride, you'll receive a comprehensive Bridal Preparation Guide, designed to help you achieve the best possible results. From skincare timelines to beauty appointment tips, it's your step-by-step plan for a smooth, stress-free morning. Each member of your bridal party will also receive a touch-up makeup kit, complete with essentials: a sample of your lip colour, powder puff, cotton tips, and tissues — keeping everyone photo-ready all day.

We believe excellence comes from constant growth, which is why Jacinta invests in ongoing education and advanced training with leading industry artists such as Mia Connor, Emma Chen, and Meagan Ellise. This ensures our techniques are always fresh, modern, and tailored to bring out your unique beauty.

Our service is built on attention to detail and a seamless, personalised experience from enquiry to "I do." With clear communication, ongoing support, and expert guidance, our goal is simple — to make your wedding day feel effortless, enjoyable, and truly unforgettable

# BRIDAL MAKEUP TRIALS

Makeup trials are highly recommended and included in all bridal quotes (unless specified). They are an essential step into creating your perfect wedding day look, allowing us to understand your personal preferences, style, and overall vision. During your trial, we'll address any concerns, select the right products and shades for your skin, and fine-tune every detail to ensure a flawless, long-lasting result.

This is also an opportunity for you to provide feedback and make any adjustments to achieve a look that feels truly you. Beyond perfecting your makeup, trials also help us plan the timing and logistics for your wedding morning, ensuring a smooth, relaxed, and stress-free experience.

## LUXURY TOUCH UP SERVICE

Elevate your bridal experience with our Luxury Touch-Up Service — your personal makeup artist on hand throughout the day to keep you looking picture-perfect.

No need to worry about tears, shine, or lipstick fading. We'll be there to assist with final touch-ups, bridal photos, and little moments in between.

This service is \$55 per hour and invoiced after your wedding day. Beyond touch-ups, we can help photographers, assist with little ones, and offer extra support wherever needed.

Want to include this exclusive add-on? Let us know — we'd love to make your day even more seamless.

## TRAVEL FEES & DESTINATION WEDDINGS

Our travel fees cover everything needed for a smooth on-location experience, including:

- Kilometres travelled
- Fuel, insurance & vehicle expenses
- Set-up/pack-down time
- Kit sanitation & labour
- Parking, tolls, or any out-of-pocket costs

We proudly offer Australia-wide travel. For destination weddings, your quote may include flights and 1-2 nights' accommodation depending on location and timing.

Have questions or special travel requests? We're happy to accommodate!

## ADDITIONAL MAKEUP ARTIST SERVICE

If you have a large bridal party or require makeup for more than seven people, we can arrange for an additional makeup artist to assist on the day. This ensures that everyone is ready on time without feeling rushed. We also recommend an additional artist if you have an early ceremony or a strict finish time, allowing us to complete all makeup applications smoothly within your designated schedule.

If you'll like to include an additional makeup artist, please let us know, and we'll provide quotes and availability to accommodate your needs.

# WHAT OUR BRIDES ARE SAYING

Sienna Reed ★★★★★

**The Dream Makeup Artist**, Jacinta is Incredible!!

**I cannot recommend Jacinta highly enough!** She was my wedding makeup artist and was everything we hoped for and more. From the moment she arrived, Jacinta brought such a calm, warm energy; she's incredibly professional, but also so friendly and down-to-earth that it felt like having another close friend with us on the day!

We gave her the brief, and she absolutely nailed every single look! We felt confident, glamorous, and totally ourselves; just elevated in the most flawless way. Our makeup looked stunning in person and in photos, and it lasted all day and night; through so many happy tears, sweat, and hours of dancing!

If you're a bride looking for someone who is not only insanely talented but also just a genuinely lovely person to have around on the morning of your wedding, Jacinta is the one. **I feel so lucky she was part of our day**, do not hesitate to book her. You'll be so glad you did!

Maddison Krupp ★★★★★

**I can't speak highly enough** of Jacinta and the incredible experience I had with her as my wedding day makeup artist. From the moment I made my initial enquiry, right through to the trial and then the big day itself, everything was so seamless and easy. Jacinta has such a calm, warm and beautiful nature that instantly put me at ease – exactly what every bride needs!

Jacinta absolutely nailed the look I was after. **My makeup was flawless and lasted perfectly all day and night** – I felt so beautiful. She also did the makeup for my bridesmaids and my mum, and every single one of them looked stunning. Jacinta stayed right until the very end to do any last-minute touch-ups and to make sure we were 100% happy before we walked out the door. It's that kind of care and attention to detail that makes her so special.

Not only is Jacinta incredibly talented at what she does, but she's also just a genuinely lovely person who truly cares about her clients. I'm so grateful to have had her as part of my wedding day – **she was an absolute dream to work with.**
