

# Hamlar Family Foundation

## Our Story

The Hamlar Family Foundation was officially created in 2022 to assist with educational and community needs. However, our mission started years ago. Our mission is "We are a non-profit organization to help provide resources to K-12 and college students."

The Hamlar family owns and operates Hamlar-Curtis Funeral Home and Crematory. Hamlar-Curtis Funeral Home & Crematory just celebrated 72 years of service to the community and opened their second location in Rocky Mount on August 13, 2022. In October of 2024, the Hamlar family also opened the Hamlar Pet Funeral Home & Crematory. The Hamlar Family legacy is known for civil leadership, professionalism, and entrepreneurship.

The Hamlar Family also owns and operates Hamlar Properties Real Estate development firm. Hamlar Properties employed electricians, plumbers, HVAC Technicians and more trades during their development.

We are looking to assist Roanoke City high school students that exemplify those traits/goals by offering college scholarships to a graduating senior in Roanoke City Public Schools.

The Hamlar family believes that everyone deserves the opportunity to further their education regardless of their financial circumstances. Therefore, we look forward to reviewing your application. You can find more about the Hamlar Family Foundation at <https://hamlar.org/hamlar-family-foundation>.
