

Parent Meeting - July 23, 2024

Introduction to Team:

We are excited to kick off a new season with our Midwest gymnastics family. Gymnastics has been known for fostering an incredible and supportive community that thrives on helping gymnasts achieve their goals. As parents, we have an incredible opportunity to model how to be positive members of a team and lead by example for our gymnasts. We should strive to have positive attitudes and be dedicated to making the club successful for families and gymnasts. The MAG Board is here to support you and answer any questions you might have regarding the program or competition.

Board Members:

Liz Jones - President (Meet registrations, Travel and General Oversight of Club Activities)

Kelly Fairris - Vice President (Organize and Oversee Fundraising)

Ashlyn Knesek - Secretary (Communications and Organization)

Heidi Perez - Treasurer (Overseeing finances for the season)

Michealene Zarach- Team Parent Representative (Organize Team Activities; Social Planning Committee)

Erin Rhodes - Team Parent Representative (Organize Team Activities; Social Planning Committee)

Robyn Hulfeld - Account Manager (Budget and SportsEngine)

- 1) Booster Club Questions: magboosterclubboard@gmail.com
- 2) Financial Questions (regarding booster fees/credits): magboosterclubboardtreasurer@gmail.com
- 3) Coach Questions (Questions regarding gymnastics skills, level: Coach Kevin @ kevin.midwestgymnastics@gmail.com)

Other Communication/Social:

Website: <https://midwestgymnasticsboosterclub.com>

Facebook: Midwest Artistic Team 24-25

Booster Fees: Please see additional handout for specific financial breakdown for the season

Compulsory (Levels 3-5) and Xcel: \$1500

Optionals (Levels 6-10): \$1600

Booster Fees are due August through November on the 1st or the 15th of the month. If you are not in good standing with the booster club, your gymnast will NOT be registered for the meets.

All of your account information can be found on your sports engine motion app. Additional financial reports are given periodically throughout the season. Please also remember, our website is the easiest place to find the most up to date information regarding finances and team information.

Mock Meet

Coach Kevin and Eileen have decided to turn the mock meet into an actual sanctioned in-house meet. This is exciting because it will now be considered an Indiana State Qualifier! They will be hosting this meet and all further details will come from them (including registration fee).

Wisconsin Dells Safari Meet

Please remember to sign up for the Safari Invite if you are interested in going. Deposit is due on 10/1 but the sooner we know how many girls are going, the sooner we can calculate fees

Fundraising

August: Fannie May

September: Lottery

Social Fee:

A social fee of \$50 is due on August 1st or 15th (based on your Sports Engine settings) for team experiences/parties due September 1st

USAG Membership

If you have not done so already, please register or renew your child's membership with USA Gymnastics. This must be done no later than July 31st. If you do not have this done, your child will not be registered for the meets that open on August 1st. Those meets (Gasparilla Classic, Nashville Nights, Big Classic) have historically sold out and we want to register as soon as it opens.

Upcoming Events

Friday, July 26th: Team Beach Day! Arrive at 10:30 to meet Coach Kevin for a team hike and conditioning on the beach. Beach day activities start at 12 immediately following. There are absolutely no drop offs. You are required to stay and supervise your child during the entire outing.

Tuesday, July 30th: Olympic Watch Party! All practices will be held at the Dyer gym. All the kids will be cheering on Team USA for the Women's gymnastics team final from 11-1. Pizza and drinks will be provided.

Monday, August 12th: Fall practice schedule begins

Team Parents

Team parents are parents who volunteer for their gymnast's level. Usually 1-2 parents that work together and have a few responsibilities.

Responsibilities:

1. Communication with the level they represent and relaying information back to Michealene and/or Erin with information that is needed.
2. Organizing after meet snack bags.
 - a. Snack bags for each meet. Each gymnast receives a bag with a few snacks, a drink and a treat. The treat is up to you and what you want to do. For example, a scrunchie, something related to gymnastics, etc....
 - b. In the past most success has been having a parent or two choose a meet and split them all up that way.

Closer to the start of the season an email will go out to the team parents with the contact information for the parents of the gymnasts in the level they are representing. If there are any questions at all you can contact, Michealene Zarach at michealenezarach@gmail.com, and/or Erin Rhodes at erinep51482@yahoo.com.
