Good things

A Publication by the Volunteer Services Council

October was full of treats! We participated in a walk against Breast Cancer, attended the Camp-For-All Gala, had some staff appreciation, and our choir performed at Flourishing with Friends. We had a terrific and spook-tacular end to the month with Fall Fright week! We have some exciting things ahead preparing for Christmas and we are actively looking for donations to fulfill our residents Christmas gift wish lists – **if you are interested in helping create some Christmas magic for our residents please email renee.lange@hhs.texas.gov**.

Staff and residents walked a mile around campus to raise awareness for Breast Cancer and honor our survivors

The Volunteer Services Council purchased a table at the Camp-For-All Gala to help support the great work they do. We attended the Gala with our resident Ryan, who works at Camp-For-All, his family, and staff. Our VSC president, Cory Flencher, delivered a wonderful speech at the Gala.

Our Employee Spotlight for the month of October is Demetria Willis! Childress has also shown some appreciation to staff through their recharge Wednesdays, providing staff with coffee and breakfast!

The BSSLC Mission Choir performed for Flourishing with Friends, something our residents are able to do monthly! Flourshing with Friends seeks to serve people with early-stages of dementia; performing for this group allows our residents to give back and feel fulfilled sharing their talents!

Fall Fright Week

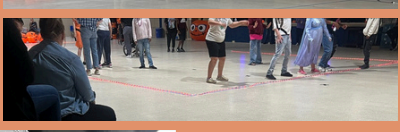

We kicked off Fall Fright Week with a fun foam machine residents loved playing in

Next we threw a BOO Bash Dance!

Our next fun event for Fall Fright was a Spooky Sensory Hall thanks to our HAB therapy team!

Zombies took over campus!

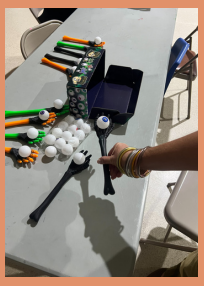

We had a Halloween Field Day where residents could play laser tag, basketball, volleyball, halloween games, paint, and get a stuffed animal!

The Grand Finale for Fall Fright Week was the E&T Haunted House! Residents loved it so much that most of them went through the house 3-4 times!
