September 2026

Good Things

A Publication by the Volunteer Services Council

September was a very exciting month for the residents at BSSLC! We had a great time at the Washington County Fair, delivering treats to our fantastic first responders, singing and dancing our hearts out at Music Fest and our BSSLC talent show, and got a chance to beat the heat at the Charlotte Adams Splash Pad! We are looking forward to more fun times with Fall Fright and Christmas right around the corner!

In honor of the 25th anniversary of 9/11, community relations and Cottage C delivered cookies to the Washington County Sheriff's Department, Brenham Fire Department, Brenham EMS, and Brenham PD

Our residents were able to have an amazing time at the Washington County Fair thanks to the generous donation from WCF!

The Volunteer Services Council was a sponsor for the WCF Champion Drive and it was wonderful watching such a great event!

Our creative crew had a blast at the 49th Annual Follow Your Dreams Music Festival! Carla and Jacob won second place in vocal duet. BSSLC Mission Helping Hands Choir won third place in vocal choir performances.

We beat the heat with a fun day at the Charlotte Adams Splash Pad paired with an inflatable water slide! Staff added to the fun times by serving snowcones

Residents were able to showcase their talents at our 2026 Talent Show, residents were all smiles performing and watching their peers perform!
