# Good Things

A PUBLICATION BY THE  
VOLUNTEER SERVICES COUNCIL

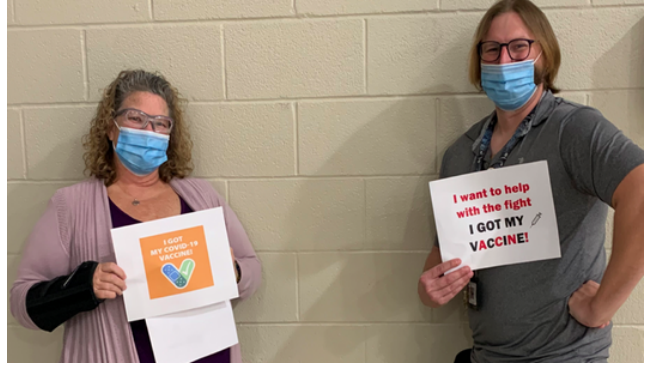

Despite the circumstances, it has been a lovely holiday season here at Brenham State Supported Living Center. Not only were residents able to enjoy days full of laughter, fun, activities, and gifts, but they were able to do so safely. The COVID-19 vaccines have started to become available for staff here at BSSLC, and precautions are still being taken seriously in order to protect all of our wonderful residents. We are really missing our amazing volunteers and visitors, and can not wait until we are able to open campus back up. Thank you for your continued support, and we wish you a HAPPY NEW YEAR!

- Destiny Psencik,
