ON THE "GOOD THINGS" YOU PROVIDE TO BRENHAM STATE SUPPORTED LIVING CENTER

The MAGICAL HOLIDAYS are here! Residents have enjoyed a holiday season full of activities, decorations, parties, and, of course, The Holiday Magic Gala!

Due to COVID-19, BSSLC has had to endure some obstacles, but staff were determined to make this the best Holiday Magic ever! Residents were able to enjoy parties in their homes (thanks to our donors), as well as gifts from their wish lists (also a big thank you to our donors)! We are so thankful for each and every person that has contributed in any way. Your continual support during these tough times does not go unnoticed, and your donations, thoughts, prayers, and positive attitudes have kept the spirits at BSSLC high. Because of you, our wonderful residents are able to have a Holiday Season that they will never forget.
