

Lunch & Learn: Checkpoint Home Inspections

This class will provide Agents with essential knowledge of the home inspection process, what to expect during an inspection, and how to interpret the findings in the report. This class aims to equip agents with the tools to better assist their clients and navigate inspections with confidence.

Course Highlights:

- Reviewing the Home Inspection Report
- Things to Look Out for During the Home Inspection
- What Items are Checked During a Home Inspection
- What the Process Looks Like

FRIDAY, MARCH 6TH
12:00pm

Naperville Training Room
