

OPEN INVITATION

BUSINESS PLANNING CLINIC

No matter where you are in your real estate career, a clear plan is the foundation of a successful business.

Whether you're a brand-new Agent, building momentum, or looking to reset your focus, this Business Planning Clinic will help you create a roadmap for the months ahead.

In real estate, today's activities become tomorrow's closings. Together, we'll evaluate your business, set meaningful goals, and create an actionable 90-day plan so you know exactly where to focus your time and energy.

You'll work on:

- Setting clear business and production goals
- Building a consistent lead generation plan
- Prioritizing the daily activities that create future business
- Developing systems to stay focused and accountable
- Creating a practical roadmap for long-term success
