

Lone Wolf TRANSACTION 102: *LAYOUTS & TEMPLATES* with Noel Marrero

Work Smarter, Not Harder. In this hands-on session, you'll learn how to use Templates & Layouts in Lone Wolf Transact to save time, reduce repetitive tasks, and create a more consistent transaction workflow.

- ✓ Create and customize templates
- ✓ Save time getting signatures with layouts
- ✓ Streamline your transaction setup
- ✓ Make corrections and update documents after they've been sent for signatures
- ✓ Avoid common mistakes and reduce duplicate work
- ✓ Build a more efficient workflow
