KELLERWILLIAMS

608 S Washington St #100, Naperville, IL 60540

During Career Night, we will be discussing everything you need to know before starting the process of becoming a Realtor! Once you've made the decision that real estate is right for you, we will discuss the different pre-licensing options that we offer. One is in-person and one is virtual (KSCORE). You will leave this meeting with the understanding of what a Realtor does and how to move forward in the process of becoming one yourself! Please feel free to invite anyone you know to this meeting and bring a friend as well. Everyone is welcome and we can't wait to see you there!
