No time to create marketing from scratch?

Between appointments, clients, contracts, and follow-up, designing flyers, postcards, and brochures can feel like *one more thing you do not have time for.*

This **hands-on workshop** will show you how to create polished real estate **marketing in minutes** using Canva, your KW Canva Pro account, and the new Michael Lewis Marketing resources now available inside Canva.

You'll learn how to:

- **Create a real estate flyer** from scratch
- **Navigate Canva's** key tools
- **Customize templates** to fit your brand
- **Work** with text, images, and design elements
- Use **Michael Lewis Marketing** resources to create faster

Bring your laptop and be ready to follow along!
