

GOALS. PRIORITIES. STRATEGIES.

Workshop with Your 2025 ALC

*Tyler Dameron, Jeanne Gamage, Giovanna Schmieder,
Neveen Michael, Wendy Puszczan, and Steve Boyles*

Clarity creates momentum — And this workshop is your chance to map out exactly how to hit your goals for the year. Join our ALC leaders for a hands-on session walking you through the GPS Model (Goals, Priorities, and Strategies) — The proven **KW** framework for turning big visions into clear, achievable action plans.

Leave with a customized Plan for 2026 with your (G)OAL, (P)riorities and (S)trategies to set yourself up for a successful year!

IN THIS WORKSHOP, YOU'LL

- Define your most important **GOALS** for growth and production
- Identify the top **PRIORITIES** that drive results
- Build actionable **STRATEGIES** to keep you focused and on track
