PANTHER STANDARDS/EXPECTATIONS

1. Set the Standard- As parents I challenge you all to set the tone by showing commitment, and pride.
2. It takes a village!- In order for this to work it's going to take each and everyone of us to share ideas and give input.
3. Expectations- Let the coaches coach, trust in them, and be supportive. When concerns come about please follow Chain of Command. I repeat never confront a coach.
4. Please be mindful that all dates are subject to change so we just ask for you to be flexible and understanding!
5. Communication is key to success!(Band)
*Band communication is for all team information. All parents should be actively in the Band app. All concerns and reporting that you will not attend practice should be sent in a private message not on the main group chat thread!
