## WINERY IN MALIBU

### ABOUT THE VINEYARD...

The Fascinating history of the property dates back to some 300 years when the vast expanse of land surrounding the Santa Monica Mountains was part of the original Spanish land Grant. The 200,000-acre site is perfect for raising sheep and cattle. Up until the 1930's the area was known as El Malibu.

Located with the 30-mile zone, nestled high above the Coastline and has a step filming history dating back 30+ years. The Winery has been featured on some the TV's most popular shows including The Bachelor, The Bachelorette, The Biggest Loser, Better Things, Knight Rider, The A-Team, and The Kardashians. They've also need used in movies such as Fun With Dick and Jane, Breaking In, Wine Country, Mi Familia, and Hard To Kill.
