 M. Moses

Thoth Moses III

In my prior incarnation as Dr. John Dee,
 I wrote in my book *Monas Hieroglyphica*:

"Eodem, ne Superfluum Punctum
 Unum; et ad hæc quæ diximus
 significanda, (longæque maio-
 ra) ne unum deficiat Punctum;"

"To the same point, there be not one superfluous
 point—and, for the signification of those things
 which we have said (and far greater things):
 there be not one point lacking"

8. Et hæc, Ita, LONDINENSI nostro HERMETIS
 SIGILLO (ad sempiternam Hominum memoriam) (con-
 firmari; Ut, in eodem, ne Superfluum Punctum Unum;
 & ad hæc quæ diximus significanda, (longæque maio-
 ra) ne unum deficiat Punctum; Omnes cogentur, ma-
 ximè fateri Rerum. At præ ceteris, Illi, qui in Philo-
 sophia Sapientiæque profundioribus Disquisitionibus, No-
 men possunt profiteri suum. Sic enim Testificabuntur 1.

8. We seal those things we have just discussed (and
 things far greater yet to come) with our HERMETIC SEAL
 of LONDON declaring that there is not one superfluous
 point included and (even more significantly) that there is
 not one point missing. Everyone, especially those who pro-
 fess to be serious investigators of philosophy and wisdom
 will be forced to authenticate the great Rarity of this work
 (for the everlasting memory of mankind). i am: dee
