All You Need

ABOUT THE BAND

All You Need is an Alternative Rock band that gets people of all ages out of their seat and movin! A night with these guys is a night with energy moving on stage and through the crowd. Rock on, get plugged in, because THIS is All You Need.

Nate Finn (Vocals/Guitar), Kaleb Shipley (Bass/Vocals), and Tyler Stover (Drums) have been playing music together for years and love bringing their music and energy everywhere they go. Just minutes into shows they give you the time of your life. With powerful chords, thumping bass, and the crack of the snare drum, All You Need is exactly what you want on any night of the week.

With new music coming, they plan on making their live shows bigger and better in the next year to come. So be sure to be on the look out for All You Need.
