DARK HORSE

Rescue Ranch

01 YOUTH MENTORSHIP

At Dark Horse Rescue Ranch, we offer Christ-centered mentorship for youth who are navigating trauma, anxiety, or life challenges. Through guided sessions with our rescued horses, young people learn trust, responsibility, and self-worth in a safe, encouraging environment. Horses help them open up, build confidence, and experience the unconditional love of both the animals and their Creator—reminding them they are never alone and always valued.

02 HORSE RESCUE

Founded from a deep passion to bring hope and healing, Dark Horse Rescue Ranch is more than a sanctuary—it's a place of new beginnings. Our ranch, located in Cleveland, TN, is a refuge where rescued horses are not only restored but become partners in healing those who have experienced trauma and hardship.Through our programs, mentoring, and faith-based guidance, we connect rescued horses with hurting hearts, creating powerful stories of redemption for both.

03 FAITH BASED EQUINE ASSISTED LEARNING

True healing happens through the powerful connection between rescued horses and the love of Jesus Christ. Our faith-based equine-assisted sessions help individuals who've experienced trauma rebuild trust, find peace, and rediscover their identity in Christ. Guided by grace, truth, and the gentle presence of God.

04 BASIC RIDING LESSONS

Basic riding lessons integrate biblical principles with horsemanship. Our program emphasizes stewardship of God's creation, trust, and community. Students will learn essential riding skills while reflecting on biblical teachings, such as obedience and perseverance. Each session includes hands-on activities, group rides, and opportunities for personal reflection and gratitude. Experience the joy of riding while growing in faith and character!
