Yvonne T. McKittrick Elementary

Message from the PTA Vice President

On behalf of the PTA, I am so relieved to see life on campus slowly returning to normal this month. We recognize that all members of the McKittrick community were impacted in some way by the hurricanes last month and we are incredibly grateful for everyone's health and safety. We were also relieved that our campus goats, Luna and Athena, did well through the storm in their shelter that was renovated last year. Even as a native of Tampa with many hurricanes under my belt, I still felt the stress and fear that is only heightened by trying to keep young kids safe during a natural disaster. The American Academy of Pediatrics has helpful guidance on talking with your children about natural disasters that you can click [here](#). Additionally, The Florida PTA has many hurricane relief links that you can find [here](#).

As we get ready for (hopefully) cooler weather, we will have a Winter Spirit Wear sale November 4-15. Make sure to get your orders in! We look forward to honoring and celebrating Veterans on November 8. Fall picture makeup day has also been rescheduled to November 8. As a reminder, there is no school on November 11 in recognition of Veterans Day.

Our PTA has partnered with Hungry Greek to host our next Dine Out on November 12 from 3pm-8pm. We will have 2 location options to best serve our population so make sure to stop by because 10% of sales will benefit our school. Finally, we are excited for our school to continue the important tradition of the Great American Teach-In on November 21. We look forward to seeing many parents on campus!

As we noted last month, the PTA and Administration decided to postpone our school fundraiser, Boosterthon. Boosterthon will now be held in the Spring with the kick-off scheduled for March 26 and the Fun Run scheduled for April 4. Mark your calendars!

The month of December will be jam packed with the holiday shop, holiday concert, and spirit days. In the meantime, I hope we can all welcome the month of November with open arms!

Great American Teach In - November 21, 2024

Hi Bobcats! As part of our mission to celebrate the diverse cultural makeup of our school, we would like to highlight an opportunity for families to come on campus and share their culture. The Great American Teach In is a wonderful event to share your culture through a presentation or experience to enrich our students' experiences and understanding of their fellow classmates. If you are interested in being a presenter for your child's class, please reach out to your teacher. If you would like to present to multiple classes/grade levels, please contact the front office to coordinate at (813) 558-5427. GATI was started to help students learn about the world around them and we would love for you to be a part of it.

Preparing Students for Life

Fall Conference Night

Our PTA was excited to provide dinner for our hard-working teachers as they stayed late on campus for Conference Night. Our teachers enjoyed delicious food from Los Chapos Tacos. Thank you to our Teacher Appreciation Committee for coordinating the meal.

Hello from the Library!

A big thank you to all the families that participated in the Tissue Box Storybook Character Project this year. We appreciate all the hard work of the students and all the tissues we now have available when needed in our Media Center.

After Hurricane Milton all 3rd, 4th, and 5th grade classes came to the media center for our **Student Literacy and Media (SLAM)** Kickoff lessons. For some classes this program is optional, but there are many classes (like all of 5th grade) that this project is required. Please check with your child's teacher to see if it is an optional project or required.

First and Second grade students start their SLAM lessons **Friday, November 1st** and will continue visiting the media center for their kickoff lesson through **November 7th** and then Kindergarten will have their lessons **November 13th-15th**. The student handout is in this newsletter so that you all have it available.

All SLAM entries are due Tuesday, January 21st! We will have SLAM/Literacy/SMATH night on Tuesday, January 28th on campus where all projects will be on display. If you have any questions, feel free to contact me at Aimee.Kennedy@hcps.net.

Happy Reading!
Ms. Kennedy

Congrats to **Mrs. Monaghan's Kindergarten Class** for winning the PTA Membership Drive Pizza Party! They enjoyed delicious pizza from our Business Partner Three Brothers Pizza. Thank you for your support.

You can still get a PTA membership at <https://mckitrick.givebacks.com/store>

Welcome to SLAM 2024-2025!

SLAM is a reading program for all Hillsborough County K-12 students which promotes reading a collection of books nominated for our state awards.

Students are encouraged to read these nominations and respond to them through artistic expression. Projects will be displayed at school and district Showcase events and celebrations.

Students are invited to read the books listed on the back of this paper and respond in any of the following ways (multiple entries are accepted):

Video Creative Expression

Students may work together or individually to create a video about one of the book selections. Videos must be one minute or less in length, and must contain pictures, sound, title, author and citations. These elements must have appropriate copyright permissions or be original work.

Students in grades K-2 may work independently, in a group of up to three students, or as a class. Students in grades 3-5 may work independently, in a group of up to three students.

2D Art Expression

Individual students create a drawing, painting, collage, or digital media as an expression of one of the books. Artwork must be mounted on a sturdy material and must not exceed 11"x14", including mat. Artwork must lay flat on the poster (no 3D art accepted).

A reader's statement which explains the inspiration and connection between the book and the student work must be submitted with each project. This statement must be at least one sentence but may not exceed 300 words. This must be the work of **students only**, and adults are not allowed to alter the student creation in any way.

******3-5 students may create 3D Art Expression that represents the book, guidelines are on the MC webpage-and can be given to the student if they ask for them.**

Entries must be submitted to the Media Center by January 21, 2025. We will have a school SLAM showcase on Tuesday, January 28, 2025, during SLAM/SMATH/LITERACY night.

The top entries for the school will be taken to the district SLAM Showcase at the Tampa Convention Center on March 5, 2025. Those student creators will attend to experience the projects from all the schools. Students will also get to see award-winning authors and storytellers from this years Sunshine State books.

Any Questions please feel free to contact Ms. Kennedy at Aimee.Kennedy@hcps.net

All Pro Dad Returns in November with a Focus on Gratitude

After an unexpected pause in October due to the severe storms, we're eager to resume our All Pro Dad meetings. We sincerely hope all our McKitrick families have managed well through the challenges brought by the recent events.

This November, we invite you to reconnect at our upcoming meeting on **Friday the 15th at 7:00 AM** in the McKitrick Elementary cafeteria. This month's theme, Gratitude, couldn't be more timely. As we approach Thanksgiving, it's a perfect moment to reflect on the blessings in our lives, especially in the aftermath of adversity.

Join us for a morning where dads and kids come together to explore the profound impact of appreciating what we have—our lives, relationships, and even the challenges that help us grow. This discussion promises to enhance our understanding and appreciation of the everyday joys that we might overlook.

Don't forget to RSVP for the meeting by scanning the QR code provided or clicking here: https://allprodadchapters.com/chapters/2990/chapter_meetings/58414/rsvp. Your early registration, though not obligatory, helps us prepare better and ensures a smoother start to our gathering, allowing more quality time for breakfast and bonding with your kids.

**Scan to RSVP
for November's
Meeting**

We look forward to seeing many familiar and new faces as we continue to build our community of supportive and engaged dads. Let's make this meeting a testament to our resilience and gratitude.
