

ISC meeting June 11, 2019 -

People on the call: Brad Smith, Kim Hovren, Mike Bouton, Kittie

The treasury is getting low, we need to find ways to get funds into the council.

Trips were discussed Sun Valley Rendezvous is ok if we can get Sun Valley to approve.

Brad Smith is working on a trip to Europe (details)

Would any of the other clubs like to have information on a Grand Canyon hike in and out night at phantom ranch

Good development discussion. Here's my recap of recommendations.

1. President's Circle - An additional networking opportunity tied into a trip. Consider a season other than winter; Sun Valley in October is lovely for a hike, bike, golf and fly-fishing excursion.
2. ISC Annual projected operations budget
3. Email to each ISC club President request input for ideas re: raising funds for ISC operations.
4. Consider the FWSA 'News Flash' that goes out to 800+ members.
5. I'll be putting together a list of 150 clubs, with one contact. I'll gladly share with you, once it's put together.
