

Cherokee R.A.P.S.

(RECOVERY AND PREVENTION SUMMIT)

Resource Guide

Provided by
The Recovery Organization of Cherokee County

[illegible]

***This booklet is dedicated in remembrance
to those whose lives were lost due
to substance use and
behavior health challenges.
We hope it will be a support for those
both in and seeking recovery.
Recovery is a right that everyone has.***

***Thank you to all the participants
listed in this guide who came
together on a
Sunday afternoon in Canton
to celebrate and unify as
one voice in recovery. Together
we stand to bring recovery
awareness and reduce stigma
starting with our communities
and bringing hope to the world.***
