

Company Overview

Ctrl+FRM Consulting acts as a strategic extension of your team, delivering customized financial strategies and resource management through a dedicated, long-term partnership focused on your success. With over 15 years of experience, our team brings deep expertise in managing multi-billion-dollar portfolios for the DoW (DoD), DoC, and HHS, as well as leading academic, non-profit, and private organizations. We specialize in bridge-building between financial and technical strategies to ensure every allocation directly advances mission success.
