HYGIENE

As limitations evolve, basic hygiene can become a challenge. Despite the level of assistance your loved one needs, we can accommodate!

- Bathing and showering
- Bed baths
- Grooming
- Shaving with electric razor
- Oral hygiene
- Toilet and incontinence care

WELLNESS

Our caregivers can provide services that help your loved one stave off or delay further effects of aging, both physically and mentally. We can help foster wellness with services that include:

- Light exercise program development
- Meal planning
- Medication reminders
- Safety supervision
- Cognitive Stimulation
