

Lindal Signature Lift and Slide Glass Door

Do you have a narrow profile patio that is virtually unusable or a small living area with limited access to the back yard? Do you want to expand your entertainment area in your new home?

The use of Lindal's Lift and Slide glass door system can re-create your patio and back yard into a living environment that is fully integrated into the rest of your home. Unlike standard sliding glass doors, the Lift and Slide glass door can disappear totally from view when built into a pocket wall. Lift and Slide doors are extraordinarily smooth to operate. Even the largest doors can be opened and moved with the simple turn of a handle.

Expanded information is continued on back.

Whether you're retrofitting a classic home, or building your dream home from the ground up consider using Lindal's Lift and Slide Glass Door system.

Independently distributed by:

Lift and Slide Glass Door

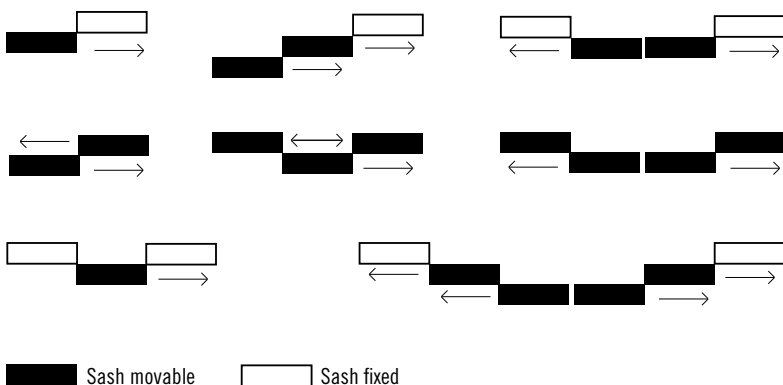

Features and Benefits:

- **GU Hardware.** Fittings provide smooth running of the sashes. Available in bronze and brushed aluminum.
- **European Engineering.** Considerably reduced torque of the turn handle provides light and easy operation, even of large and heavy sashes.
- **Low E Argon Glazing.** Provides maximum energy efficiency.
- **Wood Framing.** Enjoy the warmth and richness of renewable Fir wood framing. Other species are available upon request.
- **Lockable Gap Ventilation.** The sash can be opened to a very small opening width and lowered in any position desired.
- **Custom Crafted.** Each and every Lindal Lift and Slide glass door is custom crafted in-house to assure quality and performance. And once built, each door is backed by Lindal's reputation for customer dedication and service.

Sizes:

Panels can be made to many sizes to fit almost any situation. Suggested schemes are shown below or create your own custom design including 90 degree angles. Lindal's Lift and Slide is perfect for applications requiring extra large panels.

Arrangement Possibilities:

WHEN A COMPANY HAS BEEN IN BUSINESS FOR OVER 62 YEARS, you know it's products are built on a solid reputation. Excellence in design, European engineered hardware and ease of operation combine to make Lindal's Lift and Slide glass doors widely acclaimed by architects, builders and discriminating homeowners for their distinctive form, function and value.
