

Dear Community member,

Your Dash 365, your local nonprofit’s scholarship drive 2022. Please help us support our students with scholarships to fund their future and our community’s needs. Fund a student in the name of your business, loved one, family name or trade. You may also open, through our entity, your own fund.

The Matthew DeAngelis Scholarship – This fund is available to seniors in high school who are in the Lake Lehman School District, are pursuing a degree in mental health or photography.

The Bobby Wright Scholarship- This fund is available to seniors in the Lake Lehman or Dallas School District.

Tools for trades: We recognize the importance of technical skills and the need for more students to take this path of education. We are looking for sponsors for scholarships so students may purchase tools, uniforms, and equipment for trade schools. There is a need for scholarships like this, unfortunately there are not many available. Will you help a student with the upfront costs needed to learn a trade? This scholarship is open to any high school student in Luzerne County Pa.
