

NORTH BEACH COMMUNITY ASSOCIATION

Priorities for Improvement on North Beach - 2026

- 1. Beachwalk Repairs** - Repair sections of Beachwalk that are broken.
- 2. Beach Nourishment** - In the next nourishment, add sand not only to the south section of the beach, but also to the middle section of the beach near Surfside Park and Gulf Spray Ave.
- 3. Offshore Breakwater** - Build the proposed North Beach Breakwater to lessen beach erosion, protect properties and public amenities, create wildlife habitat, and enhance tourism opportunities.
- 4. ADA/Pedestrian Improvements** - Build sidewalks and bike lanes to connect Harbors/Lighthouse to the Eco Park and the east side of North Beach.
- 5. Parks** - Continue to prioritize improvements to North Beach parks (Eco Park, Dolphin Park, Surfside Park, Kiwanis Park, History Plaza)
- 6. Beach Access Roads**— Improve public roads leading to the beach by elevating the east end with fill dirt to help alleviate tidal flooding. Can be included in Phase 2 drainage improvements.
- 7. Beach Amenities:** Add benches and palm trees to the Beachwalk.
