

WILD ENCOUNTERS

Standard Birthday Party Package

At Wild Encounters, we offer exciting animal encounter birthday parties designed to create a fun, educational and unforgettable experience for the birthday child and their guests.

Our children's parties are currently available on Saturdays and Sundays, with flexible time slots arranged at a time convenient for you.

On the day of the party, two experienced animal handlers will lead the session, engaging the children throughout and ensuring a safe, enjoyable and interactive experience for everyone involved.

WHAT TO EXPECT ON THE DAY

We aim to make every party smooth, exciting and memorable from start to finish.

SETUP

Our team will arrive 30 minutes prior to guest arrival to prepare our backdrop and set up the animals ready for the encounter.

THE ANIMAL ENCOUNTER

The party includes a 1-hour hands-on animal encounter, during which children will have the opportunity to learn about and interact with a variety of amazing animals.

Depending on the animals attending, this will include:

- Insects
- Arachnids
- Amphibians
- Lizards
- Snakes
- Tortoises
- Small mammals

Children will learn fascinating facts about each species and, where appropriate, will have the opportunity to safely handle some of the animals under expert supervision.

PACK DOWN

At the end of the session, we allow approximately 15 minutes to dismantle our setup and safely load the animals back into their transport vehicle.

PLEASE NOTE THAT PARKING CLOSE TO THE VENUE IS REQUIRED FOR THE DURATION OF THE EVENT. (parking fees, congestion or toll charges to be paid by yourselves)

PARTY SIZE

To ensure the experience remains safe and enjoyable for both the children and our animals, the maximum number of children per party is 30, including the birthday child and any siblings.

If your party exceeds this number, an additional handler can be provided for £50. (Ratio of 15 children per handler)
