Reaching Baby Boomers
Contemporary Approaches to Ministry Evangelism and Organization

“And no one puts new wine into old wineskins; or else the new wine will burst the wineskins and be spilled, and the wineskins will be ruined.” Luke 5:37 NKJV

One out of every three Americans alive today was born between 1947 and 1964. These 74,000,000 adults now between the ages of 57 and 74 are known as the Baby Boom Generation. **In addition to being the 2nd largest generation of Americans**, they are significantly different in their values, attitudes, and lifestyles from any other generation. To reach these Baby Boomers will require churches that use Contemporary Approaches to Ministry, Evangelism, and Organization. [The largest generation of Americans are Millennials (or Gen Y), born between 1980-2000 (76 million). Gen Xers were born between 1965-1979, and there are 65.2 million)]

“The dynamic of Christianity is not in the sacredness of cultural forms – even those that God once used. It is in the venturesomeness of participating with God in the transformation of contemporary cultural forms to serve more adequately as vehicles for God's interactions with human beings.”
