#### **Disclaimer:**

Due to Covid-19, the Suburban Swim League (SSL) has chosen to cancel the season. In effort to provide our kids needed enrichment, and physical activities, our team will practice and have intersquad meets and events throughout the summer.

The Pinegate Swim team (PGST) is non-profit, neighborhood-based organization located in Mentor, Ohio, that competes in the Suburban Swim League. Our team has been swimming competitively since 1975. We typically have 50-80 (approx 30 families) swimmers, all from our neighborhood. The PGST relies on sponsorship and fundraisers to continue operations in this "city-based" league. For this, we are very grateful.
