PAW PRINTS

RAND PARK DOG TRAINING CLUB, INC FALL 2019 NEWSLETTER

LETTER FROM YOUR EDITOR

Hello,

My name is Barb Stelk and I am the new editor of Paw Prints. I joined the club last year and wanted to help out in some fashion. When I saw that the club was in need of an editor, I figured that was something I could do.

A little bit about me...I have three dogs, (need to stay off Pet Finder), I have two fish (they are not named and looking to get a clownfish to add to the tank), I am a teacher (not language arts, therefore do not judge my grammar or spelling), I coach basketball, volleyball and track at my school, (crazy busy with no personal life except going to obedience with Bailey on Tuesdays...so thanks for accepting me :), my mom and I live together, (we still talk) and lastly I like to do my own gardening and home remodeling.

Newsletters are going to be sent out for Fall, Winter & Spring.

Deadlines to get all your articles, brags and anything you want into the Newsletters...must be appropriate :) will be as follows:

WINTER: Date due: December 30, 2019

SPRING: Date due: March 31, 2020

FALL: Date due: September 15, 2020

When you email me please put in the subject box Paw Prints. This is due to currently having over 26,000 unopened messages in my inbox. Could you imagine if that were paper?

Check out my photo. It may help put a name to my face.

Since the next newsletter will come out after all the holidays, wishing you a Happy Thanksgiving, Happy Hanukkah, Merry Christmas, and a very Happy New Year!

Blessings and hope you enjoy my first Newsletter.

MEET AND GREET / ICE CREAM SOCIAL

The Rand Park Dogs with their mom's and dad's took part in the annual ice cream social at the Dairy Queen in Prospect Heights. Pup Cups and ice cream were enjoyed by all. A special thank you to Mary and Frank Laurie for your generosity and hosting this event.

UNGAR'S NEWEST MEMBER OF THE FAMILY

The Ungar's are proud to announce we have a new member to the family. On March 9th, we picked up Chiiba and brought him into our hearts and home. We adopted him through Adopt-A-Pet from a family in Hartford, Wisconsin. He was born on March 5, 2013 in Goldendale, WA. We are so thankful for such a sweet loving Sammy.

SAD NEWS

It is with great sadness to hear about the passing of members Diane Stark and Delores Valerio. Both ladies were instructors, dog trainers and wonderful women. Please keep their family and friends in your thoughts and prayers.

AKC PAPERS ARE ARRIVED FOR ABBY!

I finely got papers from the AKC! Abby is now CH Loubelle's Abracadabraa At Maestoso . She is still a brat, but we are working on obedience and tracking will begin soon. I hope she soon learns that my hands are not a toy that she can bite...work in progress. Think we will keep her.

Lois Breslow

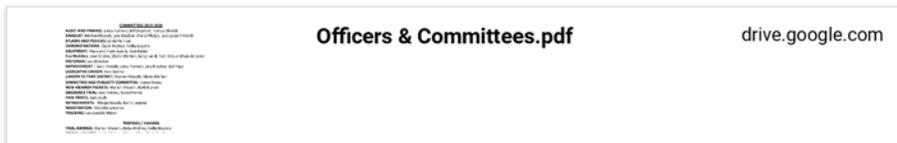

earned her TD title on September 22 and the Rand Park TD test.
:) yippeee!

RAND PARK'S FALL VST TRACKING TRIAL

On the weekend of October 5 & 6, Rand Park held their VST tracking trial at Lincolnshire, IL. There were 8 dogs participating. We were fortunate enough to have 2 wonderful judges, Connie Austin & Ule James, who kept all of the workers in good spirits with their sense of humor. Tracks were plotted on Saturday and the rain gods held off until we finished the last one!

Sunday's weather was ideal - crisp, cool, still a bit wet underfoot, & slightly breezy. (At least the dogs loved it!) In spite of our best efforts, hopes & prayers, there was only one pass. It was on track #8. Roni Szeliga's flat-coated retriever, Diva, (who is co-owned by Terri Everwine), did a marvelous job to earn her VST and Champion Tracker title. Diva was skillfully handled by Penny Kurz. Roni was a past member of Rand Park who lives in Wisconsin. She has been in the local tracking communities for many years and always offers her help for our tracking trials. Congratulations Roni & Diva!!

This could not have happened without our wonderful crew of volunteers. It takes many hands to make a trial run smoothly. May I introduce one of the best crews I've ever worked with: Tracklayers: Donna Kircher, Mike Adelman, Ike Lichter, Benita Theleen (double duty - 2 tracks bless her!), Bill Urquhart, Dave Wagner, & Marie Goulden. Extra thanks to Ike & Mike for various equipment duties in addition to laying tracks. A tracking trial is nothing without good food! Shout out to Barb Krynski for Sunday breakfast (hey guys, she can really make some good stuff!) and Teena Horne for the awesome lunch for us hungry workers. And anyone else who just brought goodies to share. Of course we cannot forget to thank Lori Buckley for driving the judges on Sunday. Last but not least, our trial secretary, Nancy Foster who did all the AKC paperwork, etc., etc., etc. Thank you one & all!

For any Rand Park attendees who may be interested in what tracking is all about, feel free to contact Lois Leidahl-Marsh or myself and come on out on a Sunday morning to watch how we train. You're always welcome.
