MESSAGE FROM THE BOARD

Letter from the President

This month my message is of gratitude to all the wonderful members who make Rand Park DTC what it is.

We held our Annual Obedience & Rally Trial this past April. Putting on a trial is quite the production that starts two years in advance. An organizing committee is formed, judges for the event are retained, along with a host of other planning activities. None of this can become reality without our volunteers.

The day of the trial, our stewards are an essential component to keep the trial running smoothly and efficiently. They are the judge's right hand. My gratitude goes to everyone who graciously gave their time the weekend of the trial to make sure the Rand Park Trial was a success.

I just want to say thank you to our dedicated instructors! Every week they come to class, prepared to help our students and their dogs, be the best team they can be. Also, our BOD deserves a huge thank you for continually moving the club forward and improving things so the club can run efficiently and effectively. It's still a work in progress but the club has come a long way. On that note, the club's election for the Board of Directors will be held at the annual meeting in December. Nominations from the floor will be taken at the October 7th membership meeting which will begin at 7:30pm. If you would like to run for office and would like more information, please see a BOD member. It takes a village to keep the club going!

Last but not least, thank you to Danielle for creating the refreshing new look of Pawprints and being our Editor-in-chief.

Letter from the Secretary

Dear trainers and members:

Two of the secretary's responsibilities are to identify trainers who have met the requirements to be nominated for membership, as well as to collect annual membership dues. As stated in Section 2 of the new by-laws, I will start collecting dues for the 2026 year this October through January 1st.

Membership dues are as follows:

	Regular	Senior
Active Individual Membership	\$50	\$37.50
Active Family Membership + 1 family member	\$75	\$56.25
Associate Individual Membership	\$10	\$10
Associate Family Membership + 1 family member	\$15	\$15

ACTIVE MEMBERS: are defined as members that train their dog(s) with the Club, attend meetings, and are able to vote.

ASSOCIATE MEMBERS: are defined as members that do not train, but can still participate in meetings & social functions. They can not vote.

In October, I will provide more detailed instructions on how to pay dues. In the meantime, if you'd like more information about membership benefits, please talk to your instructor or a BOD member. We want to grow the club with people who love their dogs.

Finally, October 7 is our next Members Meeting, more info to follow.

I hope you've all had some cool days to spend with your pups, and I look forward to seeing you all on September 2.

All the best, Martha Nelson
