JOY IN LEARNING WHISPERING WOODS

DIRECTOR'S CORNER

Happy St. Patrick's Day,

Will we get more snow this month or will it warm up? We will just have to wait and see, I guess. Either way, we will still head outside to play. Please dress your child appropriately. Join us on Tuesday, March 17th for a St. Patrick's party if you can! We will also have picture day with a new company on March 31st. This will be individual, class, and graduation photos.

Let's have a great month,
Ms. Marie

Spring is on its way (maybe? hopefully!), which means more time outside. Please continue to check the weather and dress your child accordingly. Don't forget to check your child's extra clothes as well.

Let's have a great month,

Ms. Annette, Mr. Jay, Ms. Hannah, and Ms. Samantha

This month is all about exploring our weather, seasons, and the environment. We are excited for the warmer weather ahead, but please be sure to continue sending a coat each day. We are so lucky to celebrate St. Patrick's day together with a class party on Tuesday the 17th. We will also have an eggcellent time at our spring party on Friday April, 3rd, where we will have our annual egg hunt! Such exciting times as we will begin preparing for graduation this month as well. It may seem far off, but it will be here in the blink of an eye! Wishing many happy birthdays to Sarah, Kellen, Carmela, and Odry who will all be turning five! Shoutout to Carmela, Odry, and Horacio for their outstanding social-emotional growth. We are so proud of you!
