Sunscreen and Bug Spray

If your child needs sunscreen and/or bug spray, please apply it before you bring your child to school. We can re-apply throughout the day before going outside. A medication form will need to be filled out separately for both sprays.

DIRECTOR'S CORNER

Thank you so much to the parents that participated in Teacher Appreciation Week. We appreciate you too! June is packed with special events and fun activities, so please keep the calendar handy so you don't miss out in all the fun. Water play days are starting up this month, so please bring your child in a bathing suit with a towel and water shoes. I would like to wish the children who are graduating on Thursday June 4th at 1:30PM all the best in their future. We will miss you! If you have any questions feel free to reach out to me at any time.

Have a great month!

Ms. Rosemary

Wow! We are saying goodbye to the school year and hello to summer! This month we will be talking about sports that we like and activities that we do in the summer time. We will also be talking about different types of transportation and how we travel to school each day. After this, we will be constructing our own houses, toys, and cars. Lastly, we will talk about what we love about our dad and how he makes us happy. Remember water play begins this month.

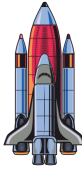

Happy Father's Day!

Ms. Rosemary, Ms. Jaelyn, and Mr. Nick

Summer is finally here and we deserve to enjoy it after working so hard on our graduation! This month we are celebrating dads and what we love about them. Please join your child for some delicious donuts for breakfast on the 18th. We will then be blasting off into space and naming the planets. After this, we will be talking about castles, knights, and dragons. Then we are pretending to be mad scientists; for example, making crazy experiments and getting messy. The last week is all about celebrating America and talking about firework safety.

Congratulations Graduates!
Ms. Natalia and Ms. Abigail
