

MARCH 2026

JOY IN LEARNING MARLEY PARK

DIRECTOR'S CORNER

JIL Families,

As we spring into March, we are looking forward to warmer weather and longer days. With that being said, we will be spending a lot more time outside! This month we will be celebrating St. Patrick's Day with a green party on the 17th, so wear lots and lots of green! Sign up sheets will be posted in each classroom. Time is moving forward. Do not forget to change your clocks and the batteries in your smoke detectors. Feel free to reach out to me with any questions or concerns.

Have a Shamrockin' March!
Ms. Rosemary

LOOKING AHEAD

March 2-6 Dr. Suess Week

March 4 - Show and Share

March 17 - St. Patrick's Day Party

March 20 - First day of Spring

March 26 - Show and Share

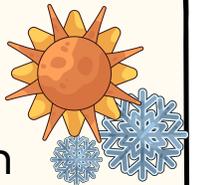

Extra Clothing and Bedding Reminder

Please make sure your child has extra clothing in their bookbags/cubbies. Every child **MUST** have a **FITTED CRIB SHEET** along with any other bedding. This is a licensing requirement.

WEATHER AND OUTDOOR PLAY

March weather tends to be pretty unpredictable. Please make sure your child is ready to go outside in whatever weather March decides to throw at us. It's always better to pack a little to much clothing than not enough!

March Birthdays!

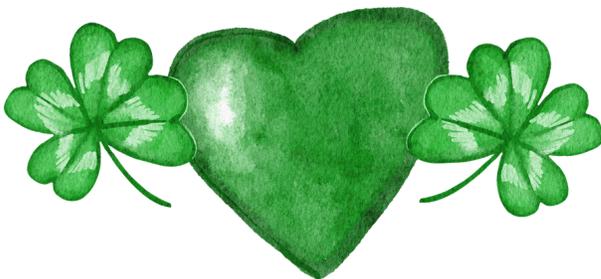

Freyja turns 5 on 3/5

Xavier turns 4 on 3/10

Chloe turns 5 on 3/18

Elijah turns 3 on 3/23

Tiara turns 3 on 3/30

March 2026

 Air and Wind	30 What Flies in the Sky?	31 Kite Art				Blue Ms. Rosemary

Spring is finally approaching! To begin the month, we will be celebrating the birthday of Dr. Seuss and reading lots of his books. If you have any Dr. Seuss Books, we would love to borrow them for the week. Following this, we are going to look at all types of shapes, rainbows, and making some St. Patrick's Day art projects. To finish off the month, we will be hopping through the bunny trail and making air and wind crafts. Remember to wear lots of green this month.

Feel Lucky!

Ms. Rosemary, Ms. Jaelyn and Ms. Jakyra

 On Our Way to K! Review	30 Reviewing Letters and Sounds	31 Reviewing Numbers and Shapes				Ms. Natalia

Shamrock 'n' Roll! Hopefully the warm weather will arrive soon so we can have lots more outside time. The Bears have a busy month. They will be talking about Dr. Seuss and reading some of his wonderful books. Then they are watching the weather and discussing how it changes from season to season. To end the month, we will be looking at pictures of the different planets in our solar system and reviewing letters, numbers, and shapes.

Happy St. Patrick's Day!
Ms. Natalia and Ms. Abigail
