Grizzly parents,

Our first few weeks of field trips were a huge success! We especially want to thank all the chaperones who could join in on the fun! We can't emphasize enough how important parents are to our community. Water play continues this month, so please remember to have a bathing suit, towel, appropriate footwear, and extra clothes for your child. This month, we plan to go out with a bang, and all your efforts will help us make this month's trips special for your child to remember! Also, if your child is leaving us at the end of the summer, please be sure to fill out a withdrawal form and return it to the teachers or Ms. Marie.

With gratitude,
Mr. John, Mx. Jude and Ms. Regan
