DIRECTOR'S CORNER

Happy 4th of July!! We had a fantastic June, and we can't wait to make July even better! Please remember that JIL will be closed on Friday, July 3, in observance of Independence Day. We hope everyone enjoys a safe and happy holiday with family and friends. Water play begins this month! To give our part-time children a chance to participate, water play will alternate between Tuesdays and Wednesdays throughout the summer. Be sure to send your child prepared with everything they need for a fun morning of splashing and playing. Our Grizzlies have an exciting month ahead with lots of field trips planned, making July one of our busiest and most adventurous months of the summer. We look forward to another month of learning, laughter, and making lasting memories together. Have a wonderful July!

Ms. Marie

Grizzly parents,

Summer is in full, swing and we are sweating! Water play starts this month and we have a few reminders. Remember to apply sunscreen and bug spray at home each morning. On water play days, your child will need a bathing suit, towel and appropriate footwear. Crocs, watershoes, and rubber sandals with a heel strap are all great options. We kindly ask that children do not wear slides or flip flops as safety is our priority. With so many awesome field trips this month, we need all the chaperones we can get! Our sign up sheet can be found next to the tablet where we sign in and out! Let's keep the fun going all summer long!

All the best,

Mx. Jude, Ms. Aaliyah, Mr. John and Ms. Regan
