Sunscreen and Bugspray Reminder

Now that summer is here we are spending lots of time outside. If you want your child to have sunscreen and/or bug spray applied to them before PM outside time please see a teacher for the appropriate forms. All topical creams/sprays must have a licensing form and be labeled with your child's name. Please hand cream/spray and form to a teacher. Thank you!

Water Play

Water play will begin the second week of June. The schedules for Cubs and Bears will be posted in the classrooms. Please remember to send your child in their bathing suit with sunscreen applied. Also please send a towel labeled with your child's name. Thank you!

DIRECTOR'S CORNER

Hello to all the wonderful Joy In Learning Families,

June is here, and it will bring the heat! First, I want to say thank you to all the parents who showed their appreciation to all of us last month for Teacher Appreciation Week! We felt the love and really want to say thank you!

As we go into the sixth month of the year, it really makes you realize that 2025 is almost half over! This year so far has been filled with lots of exciting moments and milestones here at the Glen Burnie center. I truly look forward to making lots of memories with the children over the summer.

Have a great month!
Ms. Sabrina

Happy June Cub families!

Welcome to all our new Cub friends and good luck to our friends who moved to the Bears room! This month we will start having water play out in our field. The schedule for water play days will be up in the sign in/out area, so please keep an eye out. Please make sure that you bring your child dressed and ready in their swim suit with sunscreen applied. Staff will reapply sunscreen for PM outside time. Please see a teacher if you need the appropriate form for sunscreen. Thank you! We look forward to a great month!
