# JOY IN LEARNING GLEN BURNIE

## DIRECTOR'S CORNER

March is here!

I would like to start off by welcoming all of our new families- we are so happy to have you a part of our Joy In Learning family! And to all of our families that have been here a while, thank you for your continued support and for being such an important part of our community.

Please make sure you are always signing your child in and out on the tablet in their classroom. And as always, keep your eye out for reminders of events going on in your child's classroom.

As weather changes, please make sure your child is bringing weather appropriate clothing each day. We will be going outside more and more. March can bring sunshine, chilly mornings, and even a surprise rain shower all in one day! Layers are best and please feel free to leave an extra jacket on your child's hook.

As always, feel free to contact me at the center; 410-760-3253 or by email; [glenburnie@joyinlearningjes.com](mailto:glenburnie@joyinlearningjes.com)

Ms. Sabrina ✨

Hello Cub Parents!

We are excited for the warmer weather ahead! As the seasons change, please ensure your child has weather-appropriate clothing at school. We go outside at least twice a day, so it is important they are prepared for the changing temperatures. As a reminder, every child must have a fitted crib sheet for their cot, even if they already use a nap mat. We would also like to recognize Grace for being a kind friend and brightening our day, as well as Oliver for making us laugh and being so sweet and loving.

Hello Bear Families!

We are welcoming March and all the exciting changes it brings! As spring approaches, we will spend more time outside observing the world coming to life while learning about the seasons and weather. We will also be exploring the small creatures that make springtime so magical. This month, we are thrilled to celebrate Dylan and Emirah's 5th birthdays! We look forward to celebrating our energetic March princesses. Since they are both avid fans of K-Pop and Demon Slayer, this March is sure to be **golden!**

Hello Grizzly Parents,

March is here, and Spring Break is just around the corner! We have many exciting activities planned for the month, so please keep an eye out for upcoming reminders. We are still working on adding to our "Cozy Corner" for our classroom. If you have any items you would like to donate, your contribution would be greatly appreciated. Additionally, as the snowy weather ends, we will be spending much more time outside. Please ensure your child is dressed in layers to stay comfortable in the unpredictable March weather. Finally, don't forget to have your child wear green on March 17th, it's a 2 hr early release and we have a fun activity planned!
