DIRECTOR'S CORNER

As we are getting ready to leave the "school year" behind, I want to take a moment to thank all of the teachers for all their hard work! I want to wish all of our graduating Bears much success as they venture into kindergarten. A great shout out to all the dads who enjoyed donuts with their children. We hope you enjoyed your special day. Please check your child's calendar for special days, such as water play and show and share. We don't want anyone to miss out in all the fun! Also, please remember to bring a fitted crib sheet along with a blanket on Mondays for nap time. If you have any questions, feel free to reach out to me.

Have a safe and happy 4th of July!
