DIRECTOR'S CORNER

Happy July JIL Families!

Summer is in full swing! It has brought the heat and the fun! So far this summer, the Cubs, Bears, and Grizzlies have had a blast! Our garden is starting to produce some flowers; only a couple more weeks until we might see what is actually growing! Many of the children have really been such little gardeners helping check on the plants and remove weeds and dead leaves. Will there be squash? Will they be pumpkins? We can't wait to find out!!

As the summer moves forward, please continue to keep an eye on the weekly signs. These signs will help keep you in the loop on events and activities going on in your child's classroom.

We are looking forward to the rest of our fun filled summer! Keep cool! And, as always please feel free to reach me with any questions through email at glenburnie@joyinlearningjes.com, Brightwheel, or at the center 410-760-3253.

Lots of Love,
Ms. Sabrina
