

MANTLE OF DELIVERANCE

By: Howard Huntzinger

One of my favorite prayers from the inspirational writings of Mary Constancio on the Queen of Mercy is the MANTLE prayer. This six-line prayer is easy to remember for each line of the prayer is a letter from the word Mantle.

MANTLE PRAYER

*Mother of Mercy,
Arm of strength and gentleness,
Net of salvation,
Tears of joy and sorrow,
Love of God,
Eradicate and erase the power of
darkness.*

What inspires me about this simple prayer is that I find it to be a powerful deliverance prayer invoking the Blessed Virgin Mary under five titles. The sixth line is a petition to “Eradicate and erase the power of darkness.”

What is the Blessed Mother’s mantle according to the Queen of Mercy meditations? Simply put, her mantle is her motherly grace to protect us and lead our hearts to “see the glory of God.” She says, “My mantle of mercy has no distractions, but helps to keep your goal in sight.” In another place, she states, “take hold of my mantle and do not let go, for it will give you strength in time of distress and hopelessness.” Also, “My mantle (of grace) protects your Holy Communion, mass, Confession, fasting, praying, and loving in mercy.” Then she explains why these sacraments and actions are important: “All of these protect you from the fiery darts and lies that Satan and your flesh use to destroy your soul.”

Let us call to the Blessed Mother to deliver our hearts from evil and to teach us how to love. Let us invoke her as Queen to eradicate and erase the power of darkness in all its forms. Queen of Mercy, pray for us.

Resurrection of the Self-Image Retreat

You are a unique, one-of-a-kind, masterpiece, child of the Most High Living God. Come into the fullness of what God has planned for you!

I have seen persons come to a retreat broken, hurt, lost or confused. But when it's time to go home at the end of the retreat, you see the transformation in them that you know in some way God touched their hearts to get closer to Him and/or received some kind of healing - physical or spiritual. Highly recommend this place! Nina Torres August 31, 2018 (from Facebook)

Looking Good, Feeling Good Retreat January 25-27, 2019

For a long time I felt desperate every time I tried to lose weight. I wanted so much to look and feel better. I tried and tried, being strict with myself, with exercising, but exercise was no use, all the time feeling so angry and guilty that it wasn't working. The methods that worked in the past no longer helped. I had cried out to the Lord, because I was so frustrated I was ready to give up and die with my obesity. And every day my health got worse along with my weight.

Maybe you can relate. My back hurt. Sometimes I couldn't bend or walk because of the pain. I had severe headaches, where the pain was so intense, I vomited. I had difficulty walking, and I had lost hope of again feeling good again. At night I had trouble sleeping due to acid reflux, so I'd often sit up until the wee hours of the morning, getting a late start the next day because I needed to sleep. I was tired all the time. I was more and more limited with my physical abilities every day, and, of course, my fatigue kept me from spiritual growth, too. All this started interfering with my ability to serve in the ministry, so I needed help. That was just me.

My husband's diabetes was out of control. Even with medication, his blood sugar levels were like a roller coaster trip: Sometimes his glucose level was so high that he was irritable and jittery, and then crashed to low levels that were scary, with his blurred eyesight and his body off balance. We both took prescription drugs to relieve our symptoms, but that didn't help the cause. And then the door opened to healing. Thank you, Lord!

Come hear how I lost 65 pounds and my husband and I reduced or totally eliminated our medications. We both feel great and are so thankful. We have found a new grace to control the illnesses that tried to kill us, and I have a deep desire to help others claim this healing, too.

If you are tired and frustrated with chronic pain, inflammation, headaches, diabetes, high blood pressure, or any number of chronic illnesses, you've got to hear the good news, you, too, can receive this grace. Start 2019 with Hope!

Much progress has been made on the new annex. The pictures show the siding (the skin) of the building going on.

The current schedule will have both the siding and the roof completed by the end of December. Go to the website to see more pictures and building floor plan.
