

My Father and Your Father

After His resurrection, Jesus appears to Mary Magdalene and gives her this message for the disciples: "Go to my brothers and tell them, I am ascending to my Father and your Father, to my God and your God" (John 20:17).

These words reveal the heart of God's plan. Jesus came not only to save us from sin but to restore us to the Father. Through His baptism, death and resurrection, we are no longer separated from God but welcomed as His beloved sons and daughters. He loves to be called Father God! Where all other fathers fail us, He is restoring Himself as the One who never fails us, the true Father in our lives.

Jesus says in Luke 11:13: "If you then, who are wicked, know how to give good gifts to your children, how much more will the Father in heaven give the holy Spirit to those who ask him?"

This truth is the foundation of our mission here at the Ambassadors of the Flame of Mercy. Sharing the wonderful message that God our Father loves each one of us so much that He sent His only son to die for our sins. As we receive His mercy, our hearts are healed, our fears are replaced with trust, and we can now become bearers of His love as we pass it on to others.

Mary Constanco often encourages us to "wear the eyes of mercy" where we are a lover of the soul. We can only see others with mercy after experiencing the Father's merciful gaze upon us. Knowing that we are loved by our Heavenly Father frees us to forgive, to serve, and to love as Jesus loves. When we know we are deeply loved, we no longer need to live in fear, resentment, or self-reliance.

If you want to experience the beautiful truth that God Father loves you, come to our retreat for the Self-Image Family Retreat in September.

May we live with the confidence of beloved children, carrying the Flame of Mercy to every person we meet. Be an instrument of the Father's love and pass it on from heart to heart until the everyone comes to know Him as **Our Father**.

For Henry & Mary's 56th anniversary and also to celebrate Mary's birthday, Father Ernesto came to AFM to offer mass. Isaiah Caballero experienced his first time to serve on the altar during mass.

This next photo is of Henry & Mary receiving their anniversary blessing.

It was a beautiful celebration, followed by a meal and cake with about 20 in attendance.

A Special Note About Our Retreats

It is great to see families bring their teens to the Self-Image Family Retreat, and we have noticed that you would like other retreats to open to ages 14-17, also.

For now we are keeping the Self-Image & the Family as the retreat open to youth. Other retreats have formats which include more mature subject matter, and for that reason, we are not expanding our Youth Ministry just yet. Keep checking with us, and pray for our growth with more opportunities for our young people. We appreciate your patience!
