

Angel Chapter 10

Christ's Own Angel

- He comes down on a cloud, as the Son of man depicted in Daniel 7 (Dan. 7:13).
- Over his head is a rainbow, just as there is a rainbow above the throne of God in Revelation 4:3.
- His face, is “like the sun,” like Jesus’ (Rev. 1:16).
- The figure here has a loud voice, “like a lion” (Rev. 10:3); Christ has already been identified as a “lion” (Rev. 5:5).
- His legs as “pillars of fire” recall the manifestation of God’s presence in the wilderness as the fiery Glory-Cloud (Ex. 13:21–22; 14:19, 24).
